

Service Change notification - Term 1 2026

SCHOOL SERVICE – 7311PM

What?	School Service 7311pm has had a change to the route alignment and the order of drop offs for the first section of the run.
Why?	To address safety concerns and behavioural issues along the current route. The new route alignment will allow for most of the students to be dropped off towards the beginning of the run.
When?	This change will take effect from the beginning of Term 1, Tuesday 27 th January 2026
Details	School Service 7311pm run will have a change to the order of the drop offs and the direction that the bus travels through the Bribie Pines Estate Ningi area. The school service will now depart Banksia Beach SS and travel along Bribie Island Rd to the Bribie Pines Estate turning right into Pinelands Way, left into Relesah Drv, right into Bernborough Way, left into Carbine St, left into Aylward Rd and then right back onto Bribie Island Rd, the service will then head to Peel Rd / Fauna Way for drop offs before heading back to Bestmann Rd West to resume the normal route. Drop off times have been adjusted for students that get off in these areas, students for Bribie Pines Estate area (incorporating Pinelands Way, Relesah Drv, Bernborough Way, Carbine St and Aylward Rd) will be dropped off earlier and will get off on the opposite side of the road to where they currently get off, students for Peel Rd / Fauna way area will be dropped off slightly later but in the same location as they currently get off. The run will no longer service Bribie Island rd between Pinelands Way and Aylward Rd in the outbound direction. Nothing has changed for students getting off in Bestmann Rd West or Godwin Beach areas. A copy of the updated run sheet can be found on the back of this notice, changes have been highlighted / shaded in green to make them easy to identify.
