## Middle and High School Engagements Teens Taking Action | Kit 3

### Engagement 1 | CONSIDER and REFLECT

Development Education suggests that there are four types of activists: The Citizen, The Rebel, The Social Change Agent, and The Reformer. Check out this [Infographic: Which kind of activist are you?](#) to read about these activist “types”.

Respond in your journal: Where do you see yourself in these? Are there other activist types that you think could be added to this list?

### Engagement 2 | WATCH and REFLECT

Watch this short video "[I am an activist, but I'm not](#)". How has this challenged, changed, and/or confirmed your understanding of what it means to be an activist? How would you define yourself as an activist? Respond in your journal.

### Engagement 3 | CREATE

Create an activist profile for yourself, complete with your activist type(s), description, statement about what it means for you to be an activist, and your photograph. Submit your profile to the gallery at [rockyourrights.org](http://rockyourrights.org)
