Introduction to the Sustainable Development Goals

Engagement 1 - Explore

Explore the Sustainable Development goals using [this interactive website](#). Begin by reading over the 17 goals. Then choose a few to explore more deeply. Capture your new learning and thinking in your notebook.

SUSTAINABLE DEVELOPMENT GOALS

Engagement 2 - Watch and Take Notes

The film [Nations United: Urgent Solutions for Urgent Times](#), illustrates the connectivity of the Sustainable Development Goals as they relate to current social issues. Watch the film, using your notebook to take notes. Capture new information you learn from the film as well as new thinking and questions you have as you watch.

Engagement 3 - Reflect and Connect

The film you watched in engagement 2 contained the following chapters:

- Climate and Planet
- Poverty and Inequality
- Justice and Human Rights
- Gender Equality

Which of these areas do you feel most passionate about and why? Use your notebook to showcase your passions about issues represented in the film and in your world.
