About Power of Flowers Project: Power of Flowers Project is a 501-c-3 charitable organization established in 2009 with a mission to Share Hope and Happiness by providing a kind connection to seniors and veterans in care communities. Our dedicated volunteers repurpose donated flowers into bouquets and deliver these gifts to provide an unexpected moment of joy and improve the well-being of a vulnerable population. Located on the grounds of Tewksbury Hospital, the organization collaborates with floral donors benefitting care communities in cities and towns located throughout the Merrimack Valley of MA and Southern NH
