What your donation supports

The World Mission Sunday collection grants funds to mission dioceses, which help to underwrite the basic physical footprint that keeps missionary life going: where priests live, where sisters live, where children are catechized, where formation and pastoral work can happen, and where Holy Mass can be celebrated, often for the first time.

Part of the funds are used to help missionary dioceses run and survive, while the rest of the funds are used to build churches, seminaries, convents, and pastoral centers. In an average year, WMS helps to fund over 900 infrastructure-related projects for the Church!
