

Allegany County Area Foundation

Annual Report
2024-2025

Dear Foundation Friends,

I come into the role of President after a great leader in Rod Bennett –whose extensive local knowledge and understanding of the Allegany County Area Foundation's (ACAF) history and mission helped focus the board's efforts.

The Foundation's future is bright. Our investments continue to grow, giving us the capacity to increase scholarships for students pursuing college or trade programs. At the same time, generous donors have entrusted ACAF with funds to provide grants to non-profits that serve our community - from libraries to programs for children, food pantries and more.

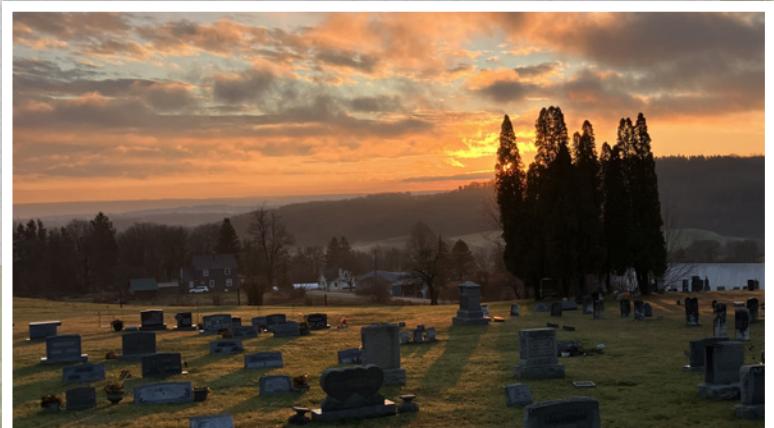

ACAF is fortunate to benefit from the Ralph C. Wilson, Jr. Foundation's support for the nine counties of WNY. The Foundation has enabled us to hire a consultant to review operations and policies and help us manage growth. Starting in January we will benefit from a Ralph C. Wilson, Jr. Foundation-funded employee, a 'rural fellow', to help with communications and other activities, and we'll soon be able to offer funding to local non-profits that need matching funds to receive state or federal money (for projects that align with Ralph C. Wilson, Jr. Foundation focus areas).

ACAF has three part-time employees who work more for the mission of the foundation rather than the paycheck. Secretary Patty Oliver keeps things organized. Our treasurer, Peter O'Connor, handles banking and tracks our funds and budget. Both possess excellent 'institutional memory.' Executive Director Bruce Campbell manages much of ACAF's day-to-day activities and interacts with students, supporters, and community groups. His insights help to guide the board as we fulfill our commitments to donors and Allegany County.

All of this is possible because of you, our donors. We humbly accept the responsibility to make sure your donations are used as you intend. We thank you very much for helping to brighten the present and future of students and area residents.

Jon Morris

President, Board of Directors
Allegany County Area Foundation

Dear Foundation Friends,

Recently, a friend suggested that I have the best job in Allegany County? I have to agree. I give away money for a living – what could be better than that?

Awarding scholarships and grants, and counting it as work, is a pretty cool thing. But what makes my role most meaningful is the people I get to interact with along the way – staff from county non-profits and agencies, school counselors, community volunteers, librarians, and students.

Everything you'll read about in this report is really about them - the non-profits they lead and programs they run, the students they support, the places they volunteer, and their goals for the future. It's a pleasure to assist them, through your generosity, in the good they do.

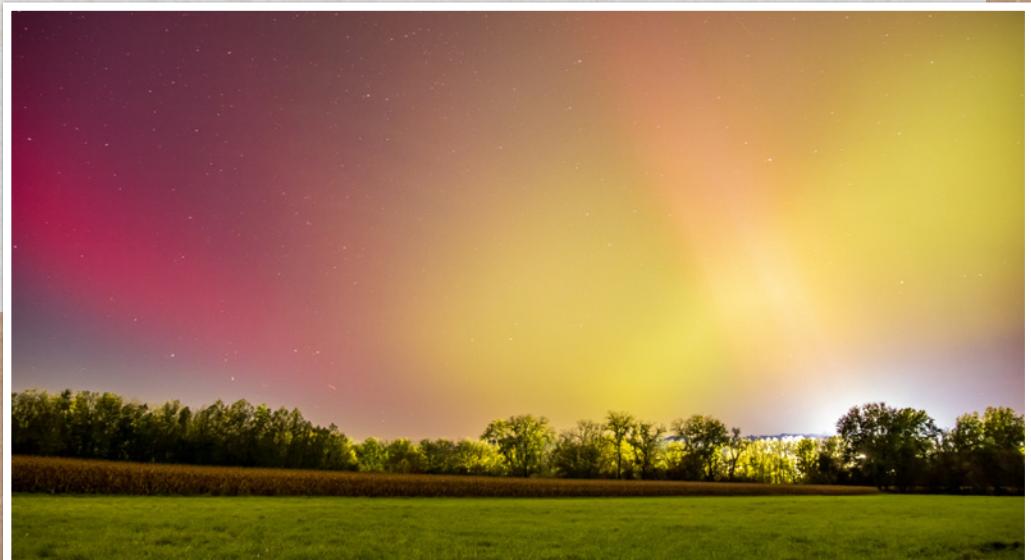

The 2024-2025 year was positive for ACAF. We helped many students, were able to offer more and larger grants, and added four new funds--including our 100th active fund; and the stock market was mostly kind. We benefited from the support of the Ralph C. Wilson, Jr Foundation and from our interaction with other community foundations in the region.

This current 2025-2026 year will see us add a Ralph C. Wilson, Jr. Foundation "Rural Fellow" staff member, amend our scholarship process and increase awards (to keep up with rising college costs) and add at least a few new grant and scholarship funds from among those presently percolating. It'll be busy but, as the popular phrase says, "it's all good" - and it's only possible because of your interest and support.

Thank you for your continued interest in Allegany County.

A handwritten signature in cursive script that reads "Bruce Campbell".

Bruce Campbell

Types of Funds Held by ACAF

Designated Fund: Established to benefit a specific organization (e.g., library, cemetery).

Donor-advised Fund: Donor may establish general criteria for awards and make recipient recommendations, which are non-binding, to ACAF.

Field-of-Interest Fund: Supports a general type of endeavor (e.g., local history, public health).

LIBRARY FUNDS

Our local libraries really benefit from dedicated funds that provide an annual grant to help with programs, facilities, and operations. This past year, ACAF's library-specific endowed funds made the following grants:

The Doris O. Church Fund

(Andover Free Library) – \$350

Susan Foster Myers Memorial Fund

(Friendship Free Library) – \$311

Hydramec Fund (Scio Memorial Library) – \$600

Fund for the Andover Free Library – \$2371

Non-endowed Fund: These are funded annually by donors.

Scholarship Fund: Donor may specify general criteria (e.g., high school, college, academic program) but not select recipient.

Unrestricted Fund: Grant funds with broad or non-specific criteria, giving ACAF flexibility to devote support to where it is most needed.

Grants from Unrestricted and Field of Interest Funds

Cuba Friends of Architecture (Palmer Opera House)

ACAF provided \$5000 for the Palmer Opera House to upgrade its lighting board, which will support its growing theater program and increase the kind of events the facility can host. (Carter-Windus Family Fund).

Fountain Arts Center

The Fountain Arts Center (FAC) received \$1000 from the Carter-Windus Family Fund to purchase licenses necessary to build its music collection. The FAC's choir, ensemble, and orchestra programs are growing, and offered to families at no-to-low cost.

Allegany County Office of Employment and Training

Demand for training through the agency's Skill Up Allegany program (short term training for jobs in demand locally) exhausted the available funding. ACAF provided \$6475 over two separate grants to allow more students to enroll. ACAF more recently provided funds for licensing exams.

Employment and Training staff shared the following success stories:

Student A. – Less than a month after obtaining her Practical Nursing certificate, this resident obtained new employment as a surgical nurse at nearby hospital earning \$25.50 an hour, full-time with benefits along with a \$3,500.00 sign on bonus ...This person most likely would not have been able to attend classes if it weren't for the \$2000.00 grant.

Student B. – Also obtained a job less than a month after earning her Practical Nursing certificate as a surgical technician at a nearby hospital earning \$31.61 with pay increase after passing licensing examination. This resident is a single mother who was in financial dire straits and is now no longer on public assistance.

Allegany County Agricultural Society (Allegany County Fair)

ACAF provided \$3000 (Carter-Windus Family Fund) to extend the fairground's recently updated internet service, enabling the fair and its vendors to accept credit card payments, and improving on-site communication between fair volunteers.

Wellsville Volunteer Ambulance Corps

Recent flood events have highlighted the need for county-based water rescue equipment. ACAF provided \$6000 toward the purchase of a motorized swift water rescue boat (\$3000 Charles and Lorraine Joyce Family Fund; \$3000 Carter-Windus Family Fund). Local fundraising and a generous donation from Saputo completed the project. Andrew P. Sweezy, Paramedic and President/CEO of WVAC noted "This grant from the Allegany County Area Foundation will have a direct impact on our ability to save lives," said "Thanks to their support, we are now better equipped to respond to emergencies in challenging environments where every second counts."

New Funds

Cuba Council of Churches Food Pantry Fund

The Cuba Council of Churches Food Pantry will benefit from one of ACAF's newest funds.

The Council is made up of five Cuba-based churches – Christ Episcopal, Cuba United Methodist, First Baptist, North Park Wesleyan, and Our Lady of Angels Roman Catholic – that work together to support the Cuba community. In addition to the Food Pantry, the Council has scholarship and holiday assistance programs. These congregations are also active individually in service and outreach.

This fund's generous donor, who wishes to remain anonymous, has established this as a designated fund – the food pantry, which is housed at the First Baptist Church, will benefit from an annual distribution (with no grant application required) from the fund's endowment earnings.

Donating to Charity Through an IRA

IRA holders aged 70.5 or older can support non-profits through a qualified charitable distribution (QCD) – a direct transfer of funds from the IRA custodian to a qualified charity. A QCD can be counted toward the required minimum distributions (RMD) for the year. Unlike regular IRA withdrawals, the amount donated through a QCD is excluded from taxable income. QCDs don't require itemizing. See your financial advisor for more details.

Leadership & Innovation Fund

Over the past three years, the ACAF has benefited from substantial donations that are providing increased funds to distribute and great flexibility in doing so. With more funds to work with, the Foundation has begun adjusting its grant making approach from being primarily reactive to proactive, engaging with community leaders to identify needs and opportunities.

The Leadership and Innovation Fund, established through the generosity of Jack Carter, will allow ACAF to work with organizations on projects that enhance the quality of life in Allegany County and encourages ACAF in its efforts to see broad community involvement in identifying and bringing forth potential projects.

Mr. Carter's involvement with ACAF goes back to its very beginning. He and the late Peter Sprague recognized the good that a community foundation could do for Allegany County, and their efforts led to ACAF's founding in 1983. Mr. Carter served as the organization's treasurer for its first twenty years.

Liederbach/Patterer Scholarship

Marilee Liederbach Patterer has created the Liederbach Patterer Scholarship in memory of her family, many of whom lived in the Fillmore area and are now buried in the Alger Cemetery.

The scholarship will assist graduates of Fillmore, Friendship, or Cuba-Rushford Central schools pursuing study in (priority order) speech pathology, occupational or physical therapy, special education, or elementary or secondary education. Students may receive this award for study at the bachelor's or master's degree level. The first award was made this spring.

A resident of the Cuba area, Marilee worked as a speech therapist in Allegany County for 35 years and is interested in programs and activities that help persons with disabilities.

To learn how you can establish a scholarship or grant fund, contact the foundation at 585-296-5616 or director@acafny.org. Or write to us at: 6087 State Rt 19N, Belmont, NY 14813

Paul H. Vienna Scholarship Fund

The Paul H. Vienna Scholarship, established in 1975 and sustained by local volunteers ever since, will now be managed by the Allegany County Area Foundation.

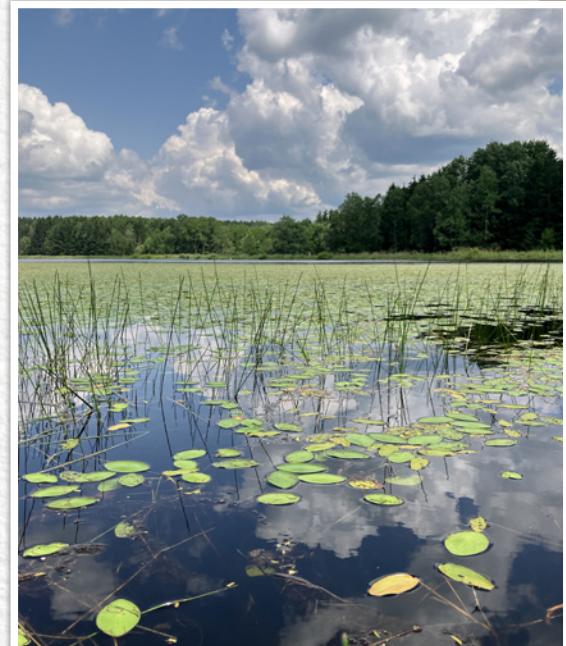

A beloved and highly respected educator, coach, and administrator, Mr. Vienna built a remarkable track record during his 16 years of service to Belfast Central School before passing away at age 38 from a heart attack.

From 1959 to 1974, Mr. Vienna served BCS as physical education teacher, athletic director, and boys' soccer and basketball coach. He was BCS superintendent from 1974-75. His accomplishments and honors include 63 consecutive league wins and 5 league championships in basketball; 4 Section V soccer titles; service as Secretary of Section V Athletic Association and President of the Allegany County Athletic Association; and recognition as Thomas Oakley Memorial Big 30 Basketball Coach of the Year.

After Paul Vienna passed away, family and friends established a scholarship fund with a September golf outing set up as the initial fundraiser. Thus began the Paul H. Vienna Scholarship golf tournament, which enjoyed a fifty-year run thanks to dedicated volunteers and significant support from area schools, the Belfast community, and the larger athletic community that so appreciated Mr. Vienna and his legacy. The tournament grew in popularity throughout its history, generating funds that have provided college scholarships to over one hundred Belfast Central School graduates. This summer, the Paul H. Vienna Scholarship Committee moved its unused scholarship funds to ACAF to endow the award, ensuring that the program will continue in perpetuity.

The Paul H. Vienna Scholarship predates the founding of the Allegany County Area Foundation (1983), making the scholarship uniquely ACAF's newest and oldest. It is also the Foundation's 100th active fund.

We're thankful to the Foundation, and especially for the Joseph Bucher Fund and Carter-Windus Family Fund that have supported our efforts to provide summer programming activities, and resources, for youth in need.

Thank you so much for the support you have provided me through my college years. ... It is these scholarships that have assisted me throughout my educational journey. Soon, I will graduate with a degree in education and the endless possibilities of shaping young minds. This would not be happening were it not for the aid provided to me by the area foundation over the past few years. Thank you for all you have done for me and others like me.

~Ellie

Thank you for awarding me the Belva A. Waite Memorial Scholarship. I am deeply honored to have been selected for this award, and I appreciate your support to my future. This award will help me to reach my goal of being a physician assistant. Thank you again for your generosity and support.

Financial Information

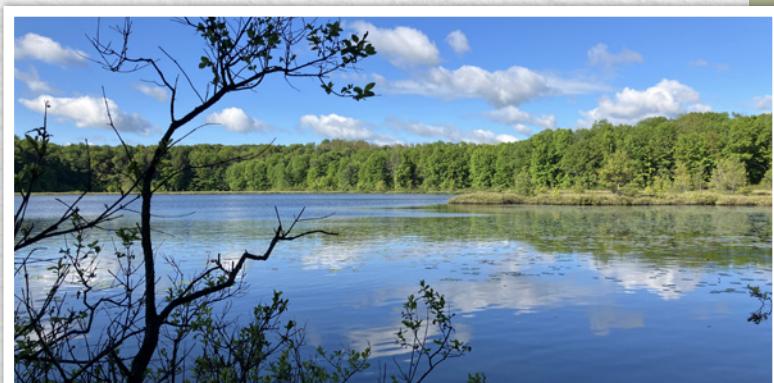

July 1, 2024-
June 30, 2025

Mercer, a division of Marsh McLennan, serves as ACAF's investment advisor, with Vanguard acting as custodian of funds. Mercer support includes online tracking and reporting, market analysis, online resources, webinars, and dedicated staff that meet with the ACAF board annually and are available by phone and e-mail as needed.

As of July 1, 2024, ACAF's funds are invested as follows:

Total Equities	68.63%	Beginning Balance (7/1/2024)	\$13,196,260.41
US Equities	43.57%	Receipts/Investments	
Non-US Equities	25.06%	Gifts Endowment	\$349,963.30
Total Fixed Income	31.36%	Gifts Non-endowed	\$123,447.28
US Fixed Income	22.08%	Net Investment Income	\$1,909,938.54
Non-US Fixed Income	9.28%	Total Receipts	\$2,383,349.12
Investment Advisory Fee	0.25%	Disbursements	
Overall Funds Expense Ratio 0.06%		Scholarships	\$(313,075.00)
Investment allocations are rebalanced as needed, typically quarterly.		Non-endowed Scholarships	\$(18,820.00)
In determining endowment spending for scholarships, grants, and operations, ACAF utilizes a twenty-quarter average of assets. This approach evens out ups and downs in the stock market, allowing for consistency in awarding and budgeting. Once this twenty-quarter average is calculated, ACAF allocates 5 percent for spending – 4 percent for scholarships and grants, and 1 percent for operations. The Foundation manages resources carefully and annually spends less than that 1 percent. For the 2024-2025 fiscal year, we spent 91 percent of our budget, returning over \$10,000 to the endowment.		Grants	\$(107,225.17)
Use of a multiple-quarter average, rather than current assets, and a 5 percent spend rate are in line with best practices and NY State Charities Bureau guidelines for foundations.		Non-endowed Grants	\$(29,432.06)
ACAF is audited and files the IRS form 990 and NY CHAR500 annually. Copies of recent 990s are available on the Foundation website. The CHAR500 can be looked up through the website of the NYS Charities Bureau.		Investment Management Fees	\$(36,987.33)
		Misc. Fees	\$(378.44)
		Administration	\$(103,348.84)
		Total Disbursements	\$(609,266.84)
		Ending Balance (6/30/2025)	\$16,427,201.06
		Assets on Hand	
		Cash (Operating Account)	\$88,988.24
		Cash (Endowment Account)*	\$515,983.92
		Total Investments (FMV)	\$15,822,228.90
		Total Assets (6/30/2025)	\$16,427,201.06

*Funds in the endowment account are those allocated for 2025-2026 year scholarships and grants. Scholarships were paid out in July, and grants will be awarded throughout the year.

Since our first scholarship in 1990, ACAF has awarded over \$5,000,000 in scholarships and grants
