Give Thanks — and Give Smarter

As we enter the season of Thanksgiving, many of us are counting our blessings. Here's one you may not know about: if you have a retirement account, you may be able to support our parish and lower your taxes at the same time.

How it works:

If you're 70½ or older, you can give directly from your IRA to the parish through a **Qualified Charitable Distribution (QCD)**. The money goes straight from your IRA to the church and doesn't count as income on your tax return.

Why it can save you money:

-It's tax-free. A normal IRA withdrawal is taxed as income. A QCD isn't.
-It counts toward your Required Minimum Distribution. Once you reach 73, you have to take money out of your IRA each year. A QCD can cover part or all of that amount without raising your taxable income.
-You don't need to itemize. You get the tax benefit even if you take the standard deduction.

Have a 401(k)?

QCDs can't come directly from a 401(k), but you have options. You can roll your 401(k) into an IRA and give from there. You can also name the parish as a beneficiary of your retirement account, which is a simple way to leave a lasting gift.

Getting started:

Contact your IRA provider and request a "Qualified Charitable Distribution" made payable to Risen Savior or St. Rose of Lima. Please let the parish office know it's coming so we can thank you properly!
