Please return by **31st January 2026**:-

NORTH EAST LINCOLNSHIRE COUNCIL
FAO James Vicca
Accountant
james.vicca@nelincs.gov.uk

The precept you request will be billed to members of the parish, split according to the number and band of the households. If the number of Net Band D equivalent properties for your parish has increased this year (as detailed in appendix 1, provided with this form), then requesting the same value of precept will result in a decreased charge per household. Inversely, if the number of Net Band D equivalent properties in the parish has decreased, setting the same precept as last year will result in an increased charge payable per household.

Town or Parish Council	Waltham Parish Council
------------------------	------------------------
