Questions for Further Application of God's Word

GO DEEPER

Daniel 2 portrays earthly kingdoms as an impressive statue, while Daniel 7 portrays them as terrifying beasts. What does this contrast teach us about how the world views human power compared with how God views it?

GET PERSONAL

What person, institution, or political power, are you presently tempted to fear—or be overly impressed by? How should the everlasting reign of Christ change the way you view it?

PUT IT INTO PRACTICE

What minor persecutions are you afraid of? Does the fear of rejection keep you from being bold about your faith? How can you combat that fear this week?

ADVANCED QUESTION

Daniel 7 says both that the Son of Man receives the kingdom and that the saints inherit the kingdom. What does this reveal about the relationship between Christ and His saints? Consider Matthew 25:34, Romans 8:17, and Revelation 3:21.
