The Gospel not of Men

1. Paul _____ the true Gospel of God. 1:11-12, 15-16
2. Paul _____ the false gospel of men. 1:13-17
3. Paul _____ transformation through the true Gospel. 1:18-24

Questions for further application of God’s Word:

GO DEEPER

What are the false gospels currently promoted in our day and what is false about them? (Ex. Mormonism, Catholicism)

GET PERSONAL

Can we fall prey to a gospel of men and how? What keeps us on track with the true Gospel of the Bible?

PUT INTO PRACTICE

Paul gave a testimony of his salvation and what occurred afterwards. Can you give a clear testimony of your salvation to others? Share your testimony with your small group, family or friends. Tell them also what has happened since your salvation.
