Questions for further application of God’s Word:

Go Deeper

How did the Holy Spirit use Paul’s life in preparation to write Titus? Read Titus in one sitting and look for repeated words and themes. Why does Paul repeat these words and themes?

Get Personal

In Titus 3:1 Paul tells Titus to remind “them”, who is them? What is the role of authority in the life of a believer? What is the role of obedience in the life of a believer?

Put Into Practice

Why is sound doctrine so important to Paul? Why is sound doctrine important in our lives? Have you spent time studying sound doctrine? Does sound doctrine impact how the outside world sees the church?

Advanced Questions

Paul tells Titus what to avoid in verse nine and how to deal with a person who stirs up division in the church by the means of false doctrine in verse ten. How has false doctrine or teaching impacted the local church, individuals, and society? What has been the impact of false doctrine, and how the outside world looks on the church?
