

Located in Beautiful Yorkshire on the outskirts of Scarborough, one of the UK's most popular beach resorts with a stunning heritage coastline, lays the Pinewood Tipi Wedding Village. Located at the top of a beautiful valley with stunning views of the countryside for miles around, Pinewood is truly a heavenly place to have your wedding. You could also choose to stay in our quirky accommodation ranging from converted Coastguard Sea King helicopters, cosy cabins to quirky western wagons.

#### NOTES

- > The Tipi wedding village is available to book for your wedding on Monday, Wednesday and Saturdays.
- > If your choice is for the Saturday, we include an extra night on Friday for your guests and family to meet before the big wedding day, for this we have a very unique converted barn 'Woody's Barn' with a full bar and Pizza service. The barn is separated from the Tipi village so not to spoil the surprise of the Tipi's on your wedding day. The barn is also ideal if you have guests staying in the accommodation the evening prior to your wedding, a great chance for them to relax and meet each other.
