Dear Prospective Sponsor:

On behalf of the Linden High School Athletic Boosters, I would like to invite you to partner with us as we continue to build one of the most respected high schools in Genesee County. Linden High School has become an integral part of the Genesee County and Linden communities and we would like to ask for your support as we continue to build our Athletic Programs for success.

As a sponsor, your support will help maintain all Linden Athletic programs. Your business will benefit from the daily advertising exposure to Linden High students, teachers, staff, families and friends as well as the athletes and fans from visiting schools. Your support will also reach the greater Linden community as many of our fields and facilities are utilized by different athletic groups and community organizations

NOW IS THE TIME TO CONSIDER A SPONSORSHIP!

- One of the most cost-effective ways to reach a dedicated local audience
- Daily exposure to students, staff, athletes and visiting athletes and fans
- Extended exposure during tournaments and events
- Professionally designed signage that reflects your brand and messaging

We are a 501c3 nonprofit organization and ALL proceeds are utilized to support the needs of our student athletes. We look forward to the opportunity to work with you and your business to build a successful partnership and we especially appreciate your support in developing our student-athletes as they participate in Linden athletics. If you have any questions, feel free to email us at board@lindenathleticboosters.com!

Sincerely,

Scott Jacques
