

# 20 Essential Questions

TO ASK WHEN VISITING A WEDDING VENUE

This checklist covers the essential questions every couple should ask during their venue tours.

It includes far more than capacity and price; it addresses timing, restrictions, logistics, guest experience, and the policies that will influence planning from day one.

Whether you celebrate with us at The Buttery & Glasshouse or elsewhere, we want couples to feel informed, confident, and supported throughout the process.

**You can print or save to your phone and use during your tours.**

It ensures you never miss a detail and allows you to compare venues like-for-like with total confidence.

We hope you enjoy your journey and find your dream wedding venue in Kent.
