We're a hotel

THERE'S SOMETHING ABOUT GETTING MARRIED IN A
QUINTESSENTIALLY ENGLISH INN THAT OOZES INDULGENCE.

Stay the night

BECAUSE NO ONE WANTS TO LEAVE EARLY!

We know how much easier — and more joyful — it is when your wedding venue includes bedrooms. No taxis, no curfews, just a short stroll from the dance floor to a comfy bed.

When booking your wedding here, you and your guests have the comfort of staying in our boutique rooms at The Bull Hotel, overlooking The Buttery & Glasshouse, and just a flight of stairs away from your wedding celebrations.

TWO EASY WAYS TO BOOK ACCOMMODATION

Add all bedrooms to your package – £1,500

Keep things simple by adding all 9 bedrooms to your wedding package. You decide who stays, and we'll help you match the perfect room to each guest.

Let your guests book directly – £170 per double room

Prefer to let guests pay for their own rooms? No problem — they can book directly with us. All we ask is that you help us allocate the rooms in advance and share your guests' contact details so we can handle the rest smoothly.

Either way

Everyone gets to stay close, celebrate fully, and wake up together to a beautiful breakfast the next morning. Pure joy!

The details

- Check-in time is strictly from 3pm on the wedding day, it will not be possible for guests to access the rooms any earlier
- Breakfast is 9am for all guests
