because It's
CENTRALIZED

CHAMBER NATION

So, what is so great about being centralized?

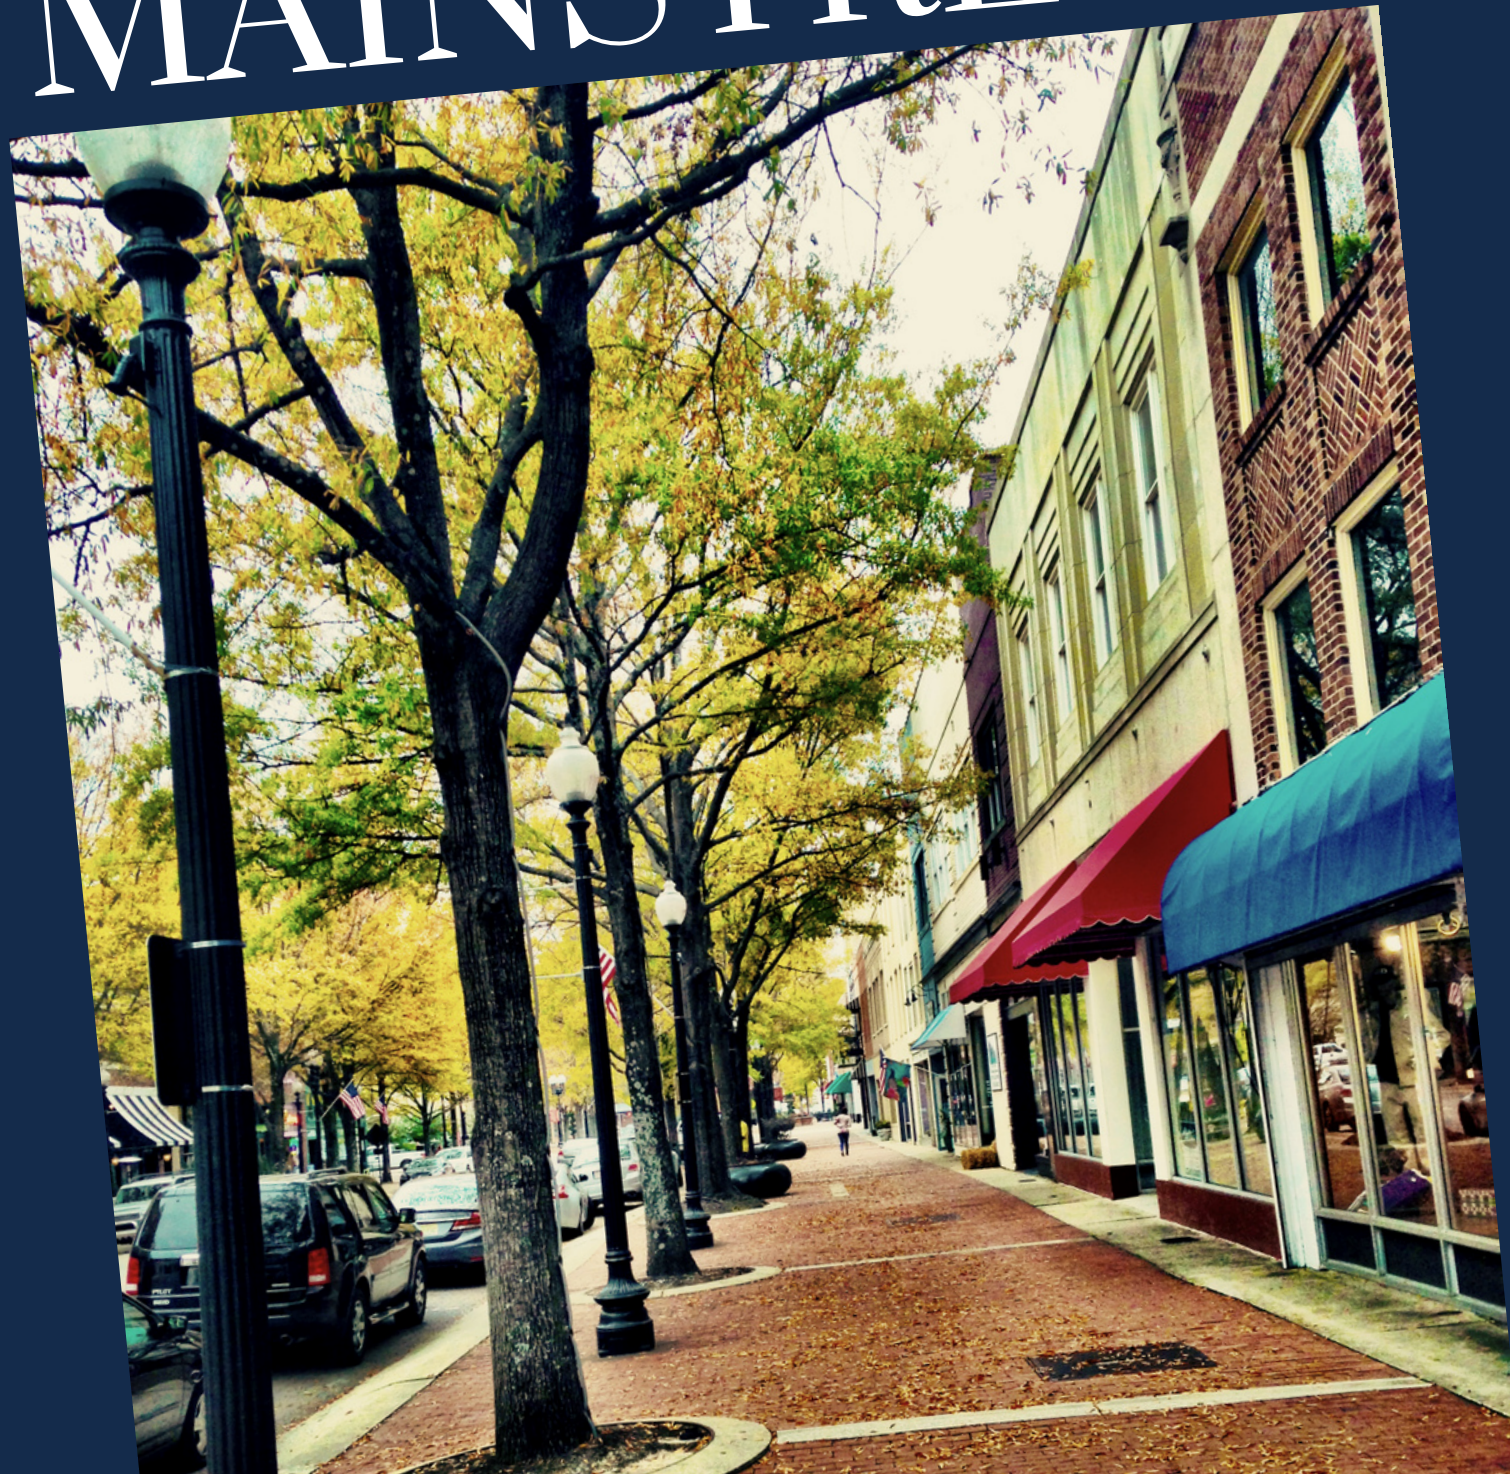

Shop multiple stores in one ordering system

duplicity. power in numbers.

TWO DOWNTOWNS

MAINSTREET

ONLINE
COMMUNITY

CITIES NEED CENTRALIZED ADVERTISING TO:

- **draw interest to their downtown districts**
- **promote tourism**

COMMUNITIES TURN TO CENTRALIZED ADVERTISING TO:

- **showcase products services, and rich talent in the local marketplace**

75% of consumers plan to support local merchants as widely as possible once restrictions on non-essential businesses are lifted

Our job is to make it as easy to shop local NOW and always as it is to shop on Amazon... where everything is under one roof so to speak...

HOW CAN WE DO THAT?

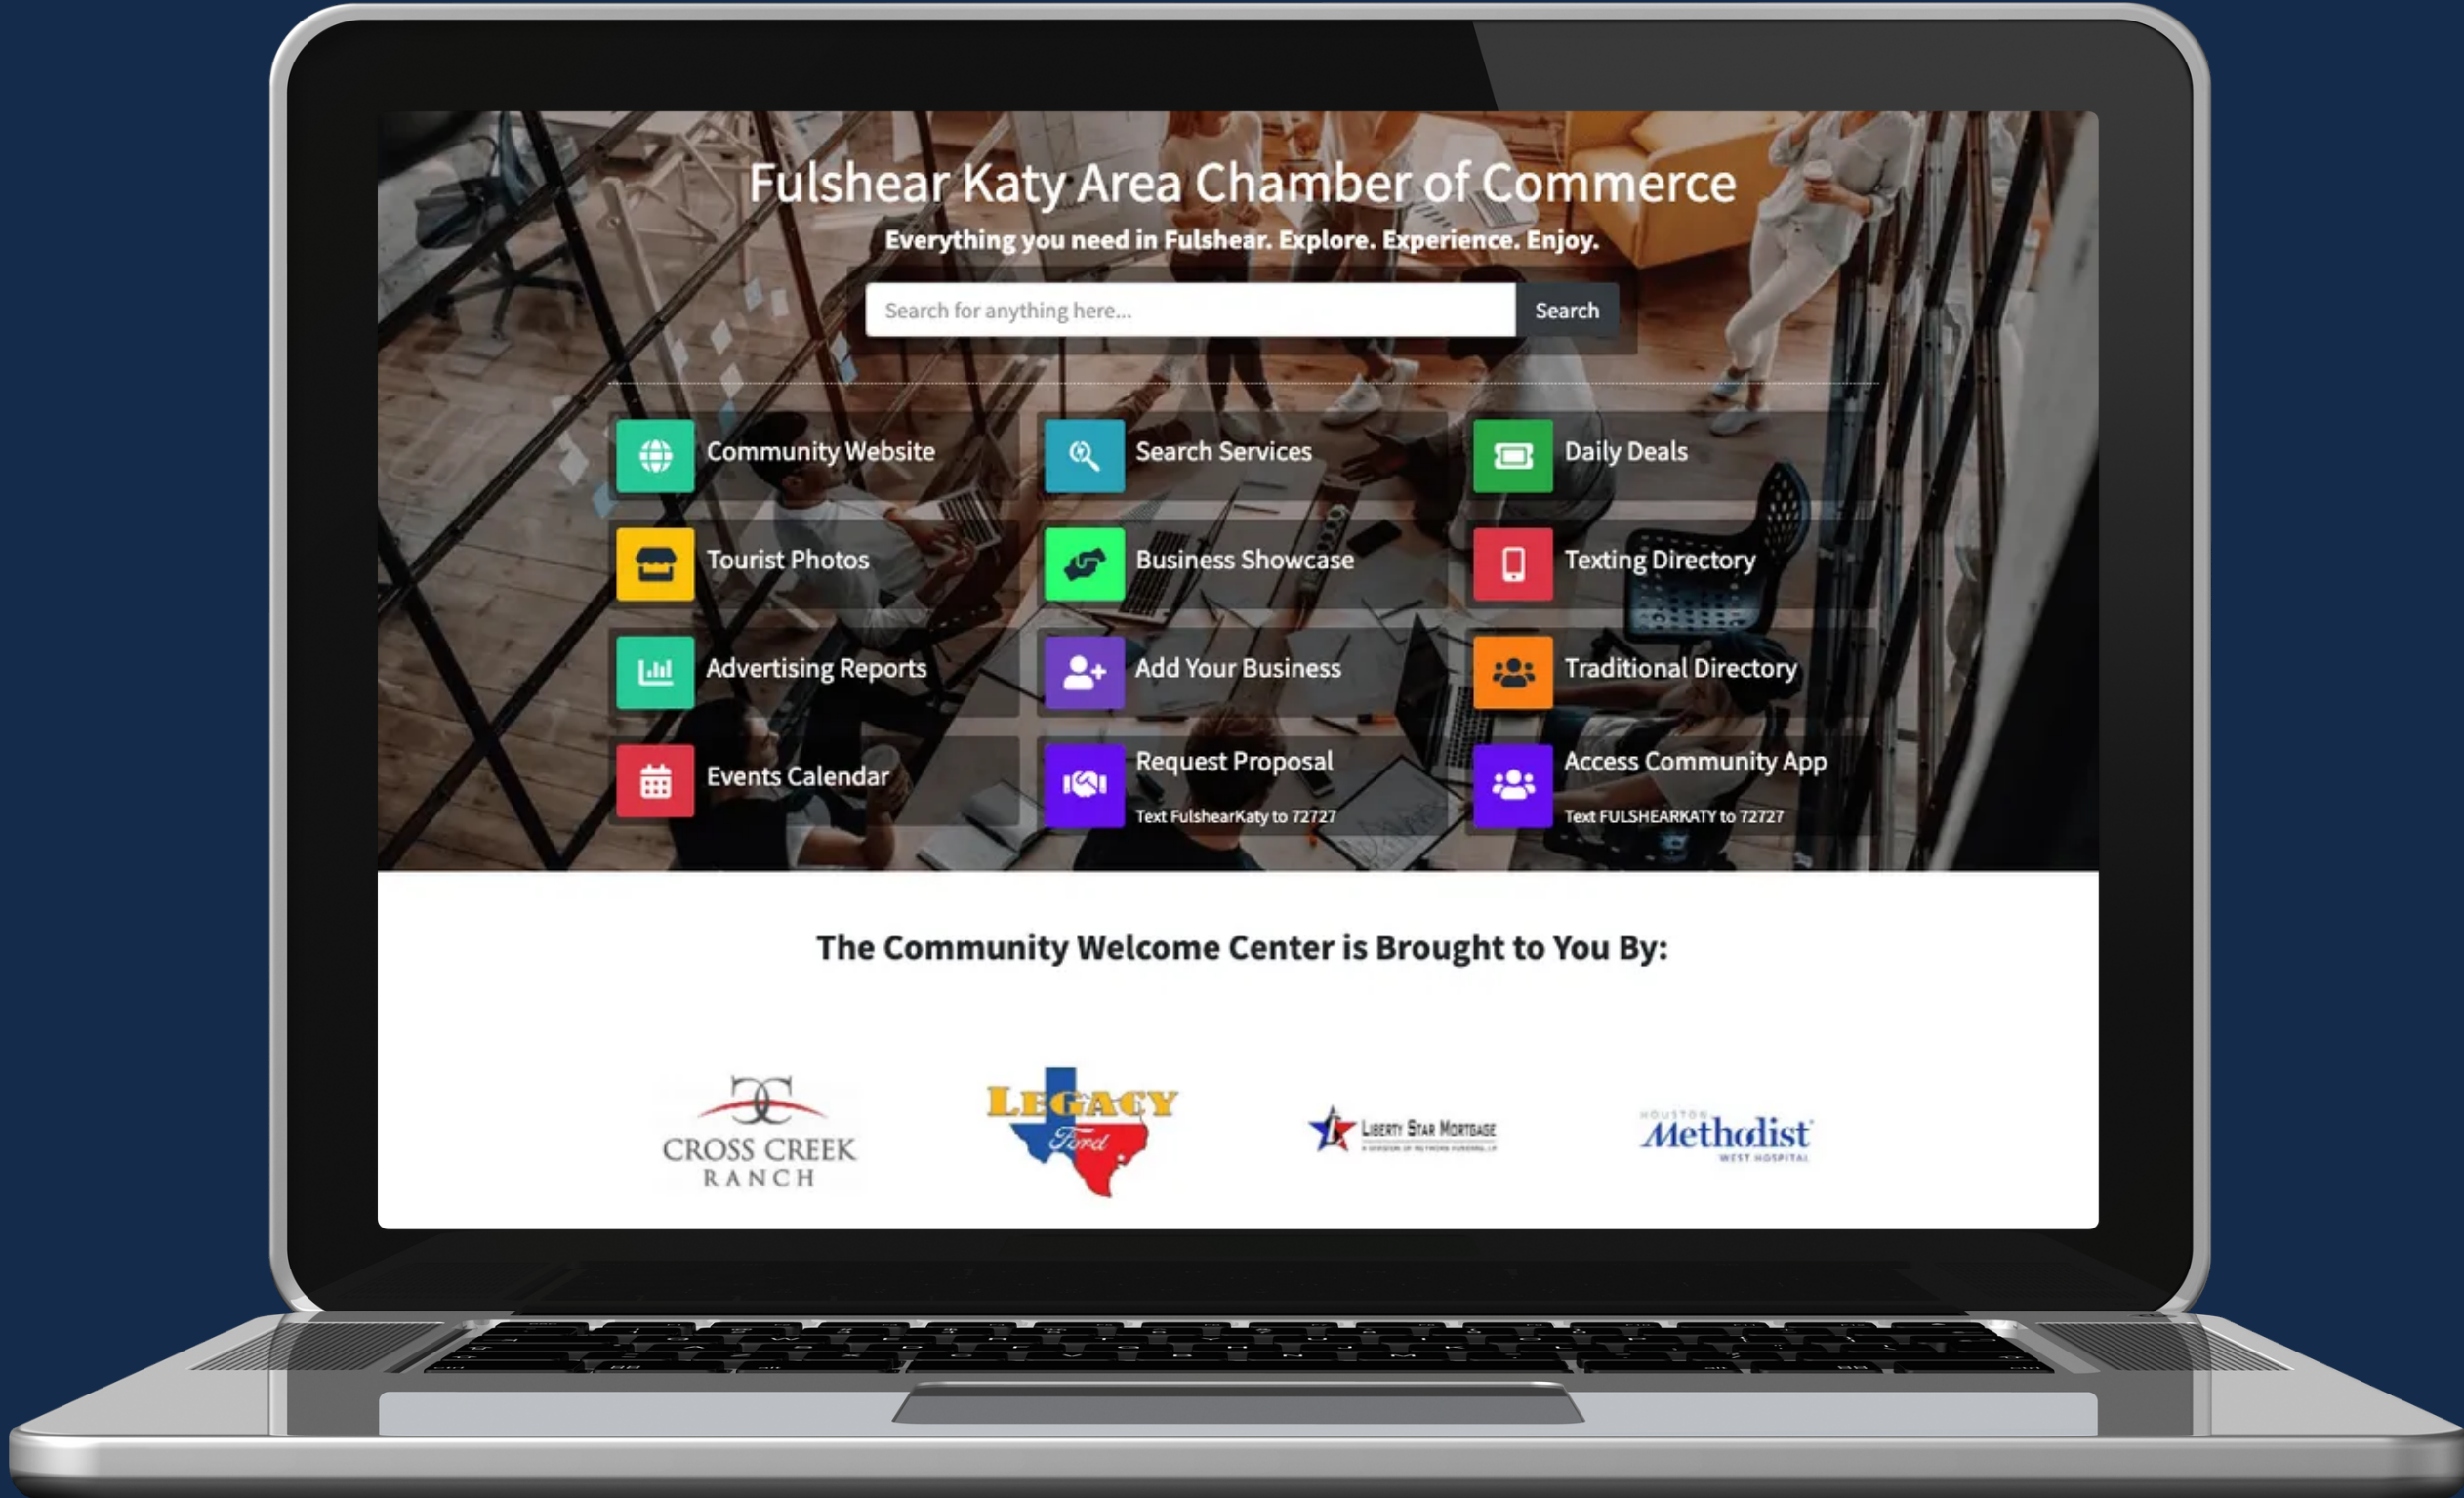

DOWNTOWN MAINSTREET MEETS DOWNTOWN ONLINE
