

# IDEAL FOR COMMUNITIES WHO WANT TO BE MORE COMPETITIVE ONLINE

- Chambers of Commerce
- Artist Groups
- Business Districts
- Merchant Groups
- Economic Development
- Professional Clubs
- Radio / Newspapers
- Online Publishers

## THE IMPORTANCE OF DOCUTEAM

Thousands of community websites designed to promote business, tourism, and economic development may be beautiful looking, but most are missing the very content people are mostly searching for:

### **BUSINESS PRODUCTS AND SERVICES.**

We solve that by doing the individual business documentation and ongoing support to increase your community's effectiveness online.

## LOCAL SHOPPING DISTRICT

Every community deserves a local shopping district even if your location is not geographically laid out as such. Today, people shop online more than ever.

With DOCU.team's *Local Shopping District* feature, this is your chance to promote your community's retail and professional businesses ONLINE in a way that will help them prosper.

### **So what is it?**

DOCU.team will build a complete community database of business services for you. We also create a mobile app for every business, and master mobile app for the ENTIRE community. Your community will have something significant to advertise. In addition, search engines and your new DOCU.team website will contribute significant results.

## SOMETHING TO NOTE

- Be sure your community businesses document their individual products and/or services for search (even if they are not selling online)
- Have a program in place to do this work for your busy business owners as part of their membership, or business license.

## MEMBER SERVICES OVERVIEW

You can find the full list on our website at [WWW.DOCU.TEAM](http://WWW.DOCU.TEAM)

### MEMBER ONBOARDING

Business will be researched, documented, and then presented to you for your input.

- You receive an attractive marketing presentation, mobile web application, and incoming/outgoing text prospecting system.

### MEMBER REPORTING

You will receive a detailed marketing report monthly from your organization.

- Also included: "Pocket Member Assistant" app to access reports, add displays via their Member Assistant, and more.

### PREMIUM DOCUMENTATION

Utilize your members' EXISTING website & other online material to create a mobile app for them.

- We leverage what you have already created
- Helps improve online presence and locally through multiple online modules.

### TRACK PROSPECTS

Easily collect leads from the local network right on your phone and/or email. You will be able to immediately call/text those who have shown interest in your services.

### MOBILE APPLICATION

Every member business will have a mobile web app that delivers images/slides reflecting their business services

- When an image is clicked, the viewer will be taken to that members' online info.

### ADVERTISE IN NETWORK

Members would be included in a public-facing network that offers **valuable, qualified traffic** for *everything local*

- Important for the member businesses to be included in this network.

## “ OUR MISSION

Provide a full service team to do the work and technology to promote community information affordably and without complication.

## DELIVERY

We handle the business onboarding that includes documentation for local mobile, voice, and community search. Our support extends to tens-of-thousands of members in over 40 states.
