

OUR SERVICES

COMMUNITY WELCOME CENTER

Each community will have their own Community Welcome Center. For tourist communities, *this center shows the important local resources attractive to the visiting public and is also searchable via Google® and Bing®.*

ON-DEMAND MEMBER ASSISTANT

Our objective is to leverage the network to promote your business and setup the appropriate product and service displays to enhance your business.

MONTHLY ADVERTISING REPORT

A detailed monthly report will be sent *every month* to share progress and membership return on investment (ROI).

TECHNOLOGY FEATURES

Add additional digital displays (*such as a web landing page: a standalone web page, created specifically for a marketing or advertising campaign*) using your photos, or we license the usage rights to those images at no cost to you.

ONBOARDING SERVICE

A Documentation Assistant will do all the work of setting up your product and services displays so that you can focus on what's important - running your business.

Let's grow our community together!

Open for Business Program

Once your business signs up with the local membership organization, you will have access to a Documentation Assistant at **no additional cost**. You can reach support about additions, updates, etc. by calling **(844) Its-Done**, or by visiting **support.openforbusinessprogram.com**.

An amazing full service Advertising Membership value from your local membership organization.

“Open For Business” Program

Promoting your business -
It's what we do!

Pre-pandemic, having an online presence was key to promoting your business and connecting with your customers, but now, for many businesses that's evolved into creating digital spaces and virtual connections *that work alongside* the physical world.

That's why we are helping everyone in the community become desktop and mobile-friendly.

A RADICAL UPGRADE TO OUR MEMBERSHIP DIRECTORY

*Why is Amazon so successful?
Because they have one central point
of entry for their business.*

Now your community does too!

Now there can be one location where locals, visitors and potential shoppers around the world can search for local retail Businesses and Services with a click of a button.

- All business sites are **completely built out by professional designers** without the business owner lifting a finger or clicking a button.
- All business owners/managers get a monthly Return on Investment (ROI) statement
- This program allows your virtual showroom to be open 24/7/365
- Post-pandemic business has to pivot between virtual and physical with people switching effortlessly between the two.

WHY CHOOSE OUR PROGRAM?

**Online business
store front**

**Opportunity to expand
online product and services**

**Team of technical
assistants to document
and load your products
and services**

**Each business will have
their own:**

- mobile app
- texting keywords
- individual business reporting
- local advertising dashboard

**Online sales with easy
check out service**
