

Provide the Environment Campaign

Inspiration Hills Mission:

To provide an environment for the individual to come to know and grow in Christ and be challenged for life in God's kingdom.

Since 2023, we have watched God continue to bring more campers, families, and retreat groups to Inspiration Hills than our current facilities were ever designed to hold.

What a blessing and what a challenge.

On rainy days, severe weather, cold snaps, and through our growing programs, we feel the limits of our space in very real ways. Quite simply, we are outgrowing what we have. Each year, it becomes clearer:

If we want to faithfully serve every camper, we need room to gather, move, play, and worship no matter the weather.

That's why we are stepping forward in faith with the addition of a new gym!

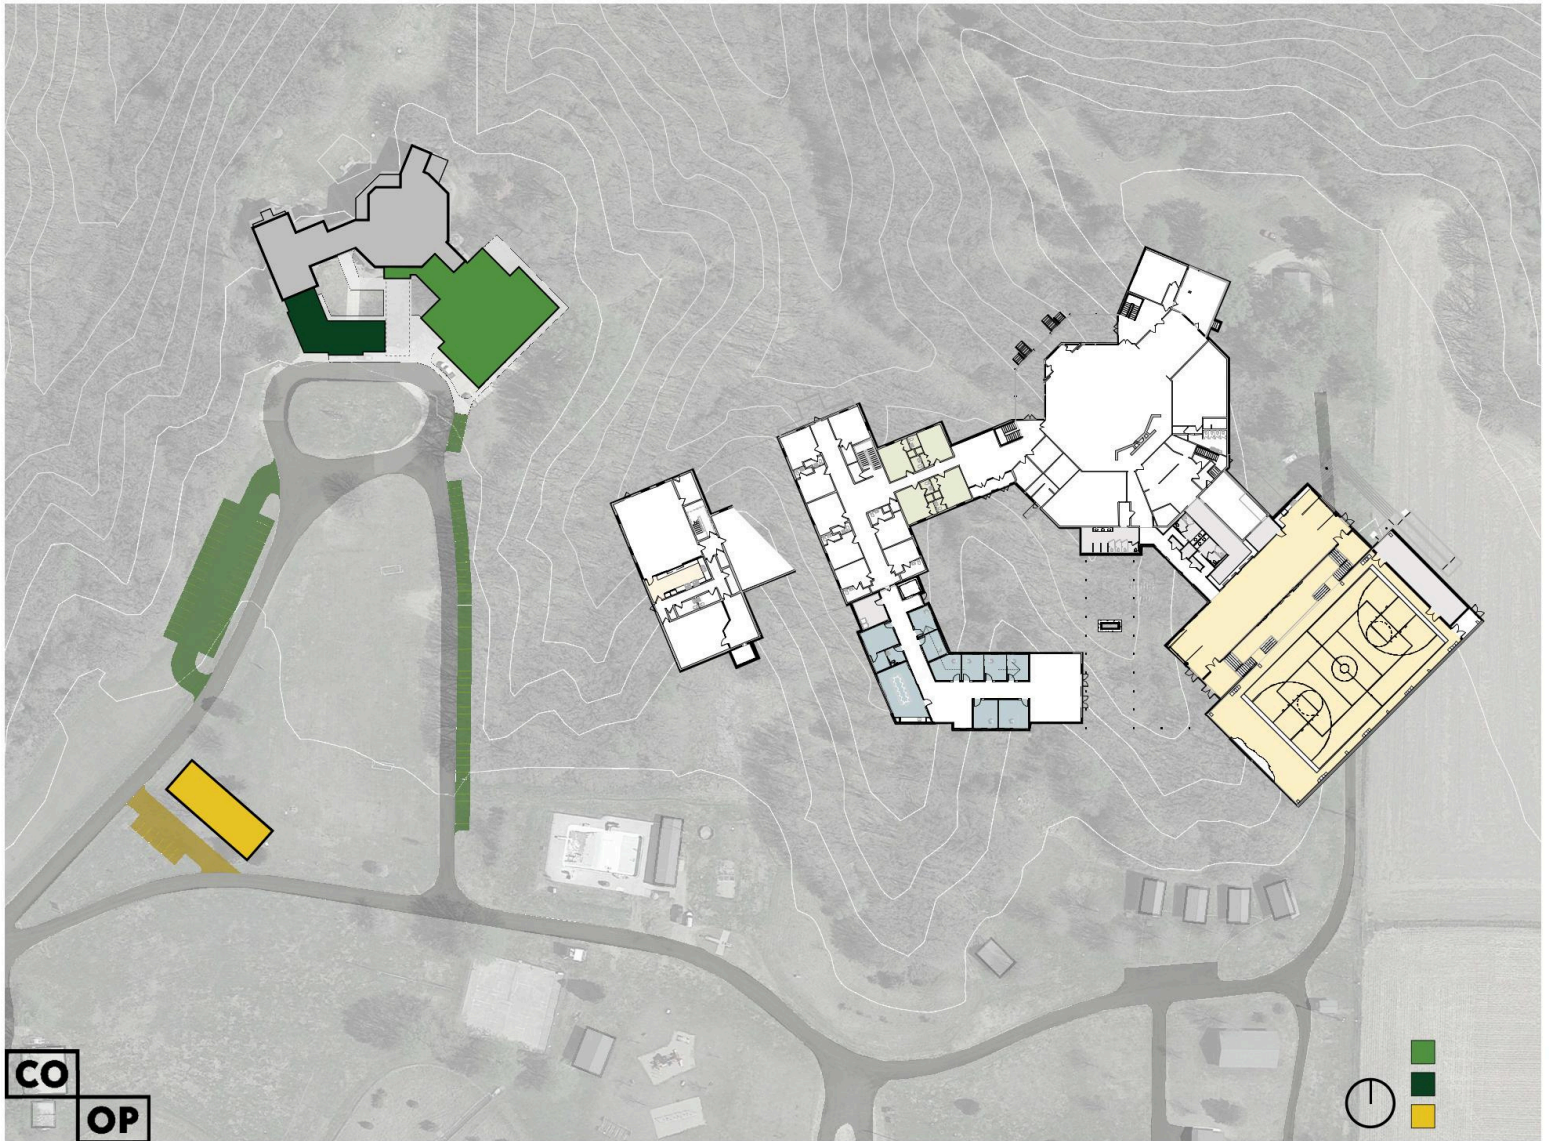

We invite you to be part of this next chapter.

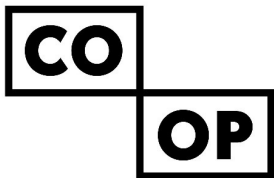

Your support of this capital campaign is not simply an investment in a building; it is an investment in lives that will be shaped, friendships that will be formed, and faith that will take root for generations to come.

Together, we can create the space needed for camp to continue thriving.

Provide the Environment Campaign

Why give to camp?

"Camp has **impacted my walk** with the Lord immensely, and I want others to be able to have a place where they can also grow in their love and knowledge of the Lord alongside so many brothers and sisters in Christ."

"The **ministry is reaching so many**. We give because the staff is dedicated to the ministry and sharing God's love and presence. We give because we know we can trust the staff to use the gifts wisely and responsibly."
