

CAMP CONNECTION

YOUTH LEADER GUIDE

Thank you for your interest in joining us for the maiden voyage of what we've decided to call CAMP Connection. This name showcases our main goal of connecting your youth group with other local youth groups, within your own group, and with Christ. Check out the info below to learn more about the logistics of this retreat.

Time and Date

The event will take place from October 29 at 7:00 PM – November 1 at 1:00 PM.

Leader Expectations

Although Inspiration Hills Staff will be in charge of coordinating the weekend's schedule, leading activities, cooking meals, and presenting during chapel times, you are still responsible for leading your group during the weekend. This will include **leading discussions during small group time, joining your group for activities, and being present with your group as a positive role model.** Our hope is that this event will be a time for your group to grow in relationship together. This will require you to be present and actively involved with your group.

For every 10 students of one gender, there should be at least one youth leader of the same gender to accompany them. For example, if your group includes 10 boys and 10 girls, they will need to be accompanied by at least 1 male and 1 female youth leader. Especially since youth leaders will be joining their group in the dorms for the night, it is very important that there are men to accompany the boys and women to accompany the girls during bedtime hours.
