*PROVIDERS*

Dear Patients and Families,

We thank you for choosing BHCS and look forward to working with you. We strive to provide the very best care and, in order to do so, we would like to take this opportunity to acquaint you with our office policies. Please take a few minutes to read over the following information. **In addition, we suggest that you review your health insurance policy and familiarize yourself with the coverage it provides.**

**APPOINTMENTS**

We ask that you try to schedule your appointments as soon as possible, hopefully after each visit, as routine follow-up time slots are typically booked for several weeks into the future at any given point.

If you are unable to keep your appointment, please notify our office at least one working day (24 hours) in advance to avoid being billed for the time. **A missed appointment will be billed as a rate determined by your physician and also charged to your account.** We will make an attempt to contact you to confirm each appointment one or two days ahead of time. This call is a courtesy, and our failure to reach you will not relieve you of your responsibility for any missed appointment charges.

**PRESCRIPTIONS**

If you are on medication, please request any needed renewal prescriptions at the time of your appointment. In general, you will be provided with enough refills to last until your next expected appointment. If you do require refills between appointments, **please notify your pharmacy and have them call our office during regular office hours.**

**9 am to 12 pm & 1 pm to 4:30 pm, Monday through Thursday - 9 am to 12 pm & 1 pm to 4 pm, Friday.**

**Prescriptions for controlled substances cannot be called in and will require a electronic prescription. Please notify our office of a need for a prescription THREE BUSINESS DAYS in advance.**

**LETTERS AND FORM COMPLETION**

We require a minimum of 48 hours for all letters and form completion. Any information that you would like forwarded to another provider, school, attorney, employer, etc., requires a signed release of information. In some cases, we may require you to schedule an appointment for the completion of these forms. Please contact our office to inquire whether a scheduled appointment will be necessary.

## **FINANCIAL POLICY**

**IF YOU DO NOT HAVE INSURANCE:** If you do not have insurance, there will be a one-time, up-front payment of **\$100.00** when scheduling your initial appointment. This payment will go towards your first appointment fee. If you cancel your appointment with 48 hours or more notice, your payment will be reimbursed in full. If you cancel with less than 48 hours notice or do not show up for your appointment, then payment is forfeited.

We ask that all self-pay patients pay in full at the time of service. If you cannot pay in full, we must receive payment before scheduling your next appointment.

**IF YOU HAVE INSURANCE:** In order to better serve your needs, our office accepts several insurance plans. Every plan is different. **It is up to the insured to know the exact requirements of their own insurance plan.** In order for us to file insurance claims on your behalf, you must present proper proof of insurance at the time of your appointment at our office. However, when appropriate, if your insurance company has not responded within 60 days, full and prompt payment will be expected from you. **NO INSURANCE WILL BE FILED WITHOUT A COPY OF THE INSURANCE CARD.**

Fees due at the time of service include: Co-pays, deductibles, non-covered services, or patients that are not covered by insurance.

For your convenience, we accept cash, check, MasterCard, Visa, American Express, and Discover.

## **FINANCIAL RESPONSIBILITY**

The person who brings a child for care is ultimately responsible for the child's bill. The physicians will not get involved in a court decision or child support disputes.

In general, insurance companies should pay within 30 to 60 days after receipt of a claim. If your insurance company has not paid by 60 days after your visit, please check with your company as to the status of your claim.

**Your insurance benefits are a contract between you and your insurance company. We cannot accept responsibility for collecting your insurance or for negotiating a settlement on a disputed claim, but we will assist you whenever possible.**

If you are a member of a health plan for which we are participating providers, we will honor any restrictions on charges or fees, and these will be adjusted accordingly.

**WE RESERVE THE RIGHT TO SEND AN ACCOUNT TO COLLECTION IF NOT PAID IN FULL. IF BHCS REFERS YOUR ACCOUNT OVER TO A COLLECTION AGENCY, YOU WILL BE RESPONSIBLE FOR YOUR BALANCE PLUS COLLECTION AGENCY FEES.**

## TELEHEALTH INFORMED CONSENT

As a patient receiving mental health services through telehealth methods, I understand that such service is provided by technology (including but not limited to video, phone, text, and email) and in part or in whole does not involve direct, face to face communication. TECHNOLOGY/EQUIPMENT: If a remote video platform is utilized, then I understand that I will need an installed and working webcam and speakers or headphones. I understand that I will receive an e-mail or text with a link to open the remote video program, via iPhone or other cellular phone or other internet enabled device may not work and may not be appropriate.

The quality of the communication depends upon the sophistication and reliability of the telehealth medium used based upon my own internet connection, my provider's internet connection, the program itself, or the program's internet cloud based system. I understand that there could be some miscommunication or lack of communication as a result of technological limitations or unreliability inherent within my or my provider's internet service and platform utilized which are not under the control of myself or my provider.

In the event of disruption of the telehealth service or in the event of an emergency, or for other routine or administrative reasons, it may be necessary to communicate by other means such as direct telephone communication. The following phone numbers will be set up as a backup in the event the telehealth platform cannot be utilized from the start of the scheduled session or at any time after the session begins:

Providers at Behavioral Health Centers of Sarasota

Patient: \_\_\_\_\_

CONFIDENTIALITY: I understand that other BHCS staff be may present during the session to initiate the connection or if there is a problem only to assure reliable operation of the telehealth system. Such staff will maintain confidentiality of any information under contractual arrangements and/or Federal law and/or State law.

While telehealth services allow for greater convenience in service delivery, there are risks in transmitting information over the internet that include, but are not limited to: breaches of confidentiality, theft of personal information, and disruption of service due to technical difficulties which may not be under the control of either my mental health services provider or myself.

**ENVIRONMENT:** It is my responsibility to maintain privacy and a controlled quiet environment on my end of the telehealth communication which means that there should be not any disruption such as from children, animals, family members, other individuals, or other environmental disruptions (e.g., telephone calls or ringtones, etc.).

**DOCUMENTATION:** I understand that the documentation my provider writes in relation to any telehealth session will be created and stored in the same EHR system as any note created from a face to-face appointment/session. Such documentation falls under the same legal, professional, and contractual guidelines as any document stored as the result of a face-to-face appointment/session. No different than any documentation in my record, I understand that I have access to information resulting from the telehealth service to the extent required by State and Federal law.

**RIGHT TO WITHDRAW CONSENT:** I understand that I have the right to withhold or withdraw my consent to the use of telehealth in the course of my care at any time so long as it is provided in writing in accordance with State and/or Federal law without affecting my right to future care or treatment. As long as this consent is in force, telehealth services may be provided to me without the need to sign another consent form.

**RECORDING:** If my provider provides the telehealth service in the State of Florida, then according to Florida law and under penalty of Florida law, I understand that there will be NO recording of any video or audio information from the telehealth session by myself or my provider or any other participant in my telehealth session(s) without the mutual signed consent of myself and my provider (and any other participant as applicable).

**COMPLIANCE WITH LAW:** I understand that telehealth services provided to me must comply with State and Federal (HIPAA) law and I acknowledge that I am aware of such laws. I understand that the reporting requirements (e.g., to law enforcement or a state agency) which may be mandatory under State law are no different than if the service was provided face-to-face as per the Consent Form I originally signed for service.

**INSURANCE:** I understand that telehealth services may or may not be a covered benefit under my insurance plan; if they are covered, any plan co-pay and deductible will apply. The same No-Show and Cancellation policies previously signed and agreed to at the start of treatment remain in effect.

I have read or had this form read and/or had this form explained to me.  
I am choosing voluntarily to participate in a telehealth consultation. This document does not replace other agreements, contracts, or documentation of informed consent.
