At the heart of love, is hope, but without love there is no hope. The Advent and Christmas seasons begin the year anew and ground us in hope. The hope that is made possible through Emmanuel- God with Us. The hope that is made real through God doing a new thing, that the prophets have long foretold. Such as John the Baptist reminds by proclaiming, "Every valley shall be filled, and every mountain and hill shall be brought low; and the crooked shall be made straight, and the rough ways shall be made smooth; and all flesh shall see the salvation of God" (Luke 3:5-6, NRSV). Hope is abundant in this time of year, so long as we make space for it. To come to the manger and be filled with awe and hope. To be fully present with, and for God's beloved, and not overly caught up in the busyness of the seasons and schedules. Hope is cultivated as we gather together and meet each other where we are at, as signs of God's love being cultivated with, for, and through God's beloved.

### ***Questions for Reflection:***

- How might this month that is the shortest in terms of daylight hours in the northern hemisphere, bring hope?
- How might light shine in the darkness as signs of God's hope being cultivated now today?
