Our school policy aims to ensure a positive and safe learning environment for all members of the school community. Generally, teachers will address most behaviors directly in the classroom. Each BTC teacher communicates class expectations and rules for a caring, safe classroom culture. The rules will also follow our school-wide expectations and core values. Teachers will employ various strategies and principles to foster a safe and positive classroom atmosphere. For behaviors persisting despite interventions, warnings, and parent communication, teachers may utilize Minor Conduct Referrals.

Minor Conduct Referrals

Minor conduct referrals will accumulate quarterly per student, per class, or teacher.

Minor Conduct Referrals do not go into a student's permanent record. Teachers will remain in continued communication with parents or guardians when there is a concern with behavior. However, when a student has received 3 Minor Conduct Referrals in one quarter, they move to a **Major Conduct Referral, and the principal will then get involved!**

Minor conduct referrals apply to behaviors such as:

- Poor verbal interactions with peers and adults
- Continual class disruptions
- Inappropriate language/gestures/noise
- Non-compliance
- Leaving the supervised area
- Hands-on with another student (minor)
- Electronic device violation (phone)
- Dress code violation
- Not following classroom or school expectations

Consequences for Minor Conduct Referrals are as follows:

- 1. 1st Referral- Warning: an email is sent to the parent**
- 2. 2nd Referral -A phone call home, 30-minute detention served after school, Detention Form is signed by parent/guardian.**
- 3. 3rd Referral phone call home, 45-minute detention served after school, Detention Form is signed by the parent/guardian.**
- 4. 4th Referral- A Major Conduct Referral will be completed by the teacher. The principal will meet with the student, call the parent/guardian, and follow up with a consequence.**

Major Conduct Referral Consequences are given by the school principal and can include, but are not limited to, the following;

- ~ Conference with student and parent/guardian
- ~Restorative Meetings with students involved
- ~Time out of the classroom
- ~Recess/Lunch Detention(s)
- ~ After School Detention(s) (60 Min.)
- ~In-School Suspension
- ~ Out of School Suspension
- ~Withdrawal for Cause

There are also times in which the student's behavior warrants a Major Conduct Referral immediately. Major Conduct Referrals are utilized for behaviors that require intervention from the principal. **These referrals accumulate yearly and can remain in the student's discipline file.**

Major Conduct Referrals

- Destroying and damaging school property
- Fighting
- Harrassment
- Bullying
- Leaving school grounds
- Physical Contact (causing injury)
- **Repeated Violations -3 Minor Conduct Referrals**

There are times when these behaviors warrant a serious consequence for the safety of others. These consequences can include suspension from school, probation, and withdrawal for cause.

SUSPENSION

Suspension is the removal of a student from all classes for a specified period.

The decision to suspend is made at the local level by the school principal. School policies will be communicated to parents and students. Parents will be notified of a suspension by the principal.

PROBATION

Probation is the continued enrollment of a student, but with specified conditions. The decision to use probation as a disciplinary action is made at the local level by the principal. If a student is placed on probation, the parents/guardians will be informed in writing. The school will request that the parents/guardians and student sign a statement indicating that they understand and accept the terms and conditions of the probation. **The original signed statement is to be kept on file at the school, and a copy is to be given to the family.**

WITHDRAWAL FOR CAUSE

Withdrawal for cause is the permanent end of enrollment of a student from a school. Ordinarily, a student would not be subject to withdrawal for cause unless there has been a period of disciplinary concerns. **A student may also be subject to withdrawal for cause as a result of a single, extremely serious conduct violation or action contrary to the mission and purpose of a Catholic school.** The decision to withdraw for cause is made at the local level by the principal in collaboration with the parish pastor. **This decision will only be considered when withdrawal for cause is appropriate to reflect the serious nature of the conduct and is undertaken with the utmost Christian charity, caution, and prudence.**

If a student's behavior falls under the Missouri Safe Schools Act, it is classified as a *serious offense*. This state law applies to all schools in Missouri, including Catholic schools. The **Safe Schools Act** outlines specific violent behaviors, pose a serious threat to the safety of others or may require the involvement of law enforcement. These offenses will be identified and addressed directly by the school principal.

Examples of serious offenses include, but are not limited to:

- **Possession of firearms on school property**
- **Possession of weapons at school**
- **Acts of violence or threats of violence (see definition below)**
- **Possession or use of explosives at school**
- **Drug, alcohol, or substance use/possession at school**
- **Sexual harassment**

Concealed Firearms Policy

In order to provide a safe environment, the carrying or possession of any type of firearm or other dangerous weapon on the premises of Blessed Teresa of Calcutta Catholic School and Parish is strictly prohibited.

Drug, Alcohol, and Substance Use and Abuse

The use and abuse of alcohol and other drugs not only pose significant health risks to young people but also hinder their full development as Christian individuals. In accordance with federal and state laws, the possession and use of certain unprescribed substances—including narcotics, depressants, stimulants, and hallucinogens—are illegal.

As such, the possession, use, transfer, or being under the influence of illegal or unprescribed drugs, as well as alcohol, is strictly prohibited on school property or at any school-sponsored event.

Violations of this policy will result in serious disciplinary action, including suspension and/or withdrawal for cause. In addition, the use, possession, or distribution of vaping devices is strictly prohibited. This includes devices that may contain nicotine or other substances, as such actions often violate local laws concerning tobacco and substance use by minors.

Harassment

Blessed Teresa of Calcutta Catholic School shall maintain a learning environment that is free from all forms of harassment. No student or staff member in the school shall be subjected to any type of harassment. Blessed Teresa of Calcutta Catholic School forbids harassment because it is not in keeping with the Gospel message of Jesus Christ and the standards of its programs. **Harassment creates an intimidating, hostile, or offensive learning environment. Harassment includes conduct that is verbal, physical, or visual.**

Blessed Teresa of Calcutta Catholic School investigates every harassment complaint thoroughly and promptly. All investigations will be conducted in a sensitive manner and, to the extent feasible, confidentiality will be honored. The investigations and all actions taken will be shared only with those who need to know.

Student: If a student is suspected of harassment, he/she will be immediately reported to the principal. The principal will determine the need for further consequences such as a parent/guardian meeting, student assessment, suspension, and/or withdrawal for cause.

Parent: If a parent/guardian is suspected of harassment toward a staff member, he/she will be required to attend a meeting with the school's administration. The result of the meeting will be a plan of action on how to improve the interaction between the parent/guardian and the school. **If improvement does not take place within a prescribed time, the family will be withdrawn from the school.**

Sexual Harassment

Sexual harassment is any unwelcome sexual advance, request for sexual favors, or other verbal, non-verbal, or physical conduct of a sexual nature that creates an intimidating, hostile, or offensive environment.

Violence and Threats of Violence

Catholic schools are committed to providing a safe and supportive learning environment for all members of the school community. Rooted in Gospel values, our schools promote respect for the dignity and rights of every individual.

Violence undermines these values and will not be tolerated. Violence includes any serious threat, gesture, or action that causes—or has the potential to cause—physical harm, emotional distress, or fear. This includes, but is not limited to:

- **Threats of using a firearm or weapon**
- **Acts of physical assault**
- **Possession or use of a weapon**
- **Verbal or written threats of violence**

All reported or observed incidents of actual or threatened violence will be taken seriously and addressed promptly by the school administration. Disciplinary and legal actions may include, but are not limited to:

- **Conference with parent/guardian**
- **Mandatory counseling**
- **Suspension**
- **Withdrawal for cause**
- **Notification of and/or collaboration with the Ferguson Police Department**
- **Legal action, as appropriate, based on the severity of the incident**

Weapons/Explosives

A weapon is anything used or intended to be used to threaten, intimidate, and/or harm persons. The possession or use of firearms or explosive devices on school/parish premises is not permitted. **Law enforcement will be contacted for firearms and explosives.**

Search and Seizure

The school administrator, with sufficient reason, may search a student's desk, which is school property. Students' personal property, such as jackets, purses, backpacks, and the like, can also be searched with sufficient cause by school administrators.

School administration may use this method of search and may employ it without prior notice to parents or students.

Chaperones may assist the teacher in supervising the trip if they have completed Protecting God's Children and submitted a background check. It is the responsibility of the chaperone to support the teacher's rules during the field trip. **Since a chaperone has the responsibility to help monitor the school children, chaperones cannot bring younger siblings along on the field trip.**

HEALTH AND WELLNESS (STUDENTS)

Emergency Medical/Contact Cards are distributed on the first day of school and are to be filled out and returned immediately. They are kept on file in the school office and should be updated if there are phone or emergency contact changes. **Health files and forms are maintained in a confidential, separate file and are not filed with education records.**

Communicable Diseases/Parasites

For the protection of the other students, parents should notify the school office if the student has a communicable disease or has lice, scabies, etc. (Confidentiality is our practice). A student may be sent home if symptoms of communicable diseases or an undiagnosed (by a physician) rash are present. **The Archdiocese has a zero-tolerance policy for lice or lice nits. Students must be treated and not return to class until they are cleared by the nurse.**

Immunizations

Immunizations in accordance with the laws of the Missouri Department of Health's Bureau of Immunization are required. All new students and students entering Pre-K, Kindergarten, and Grades 3 and 6 should submit a physical examination by a physician or clinic. Students entering 8th grade are required to have a Tdap booster and the first dose of the MCV-Meningococcal Vaccine before school begins. Any student not in compliance will be sent home. Vision and hearing screenings are conducted each year within the school by Cardinal Glennon School Partnership Nurses.

Illness/Injury

If a student becomes ill or injured at school, we will use the following procedure:

- The teacher will send the student to the office with a Nurse Form.
- **If the student is ill and needs to be sent home, the nurse will notify the parent, who must make arrangements to pick up the child as soon as possible.**
- **The parents will be notified of any potentially serious injury at school or on the playground once the student has been to the nurse.**
- If the school cannot reach a parent or guardian, a person designated by the parents on the Emergency Card will be notified.
- **If the student is sent home with a fever, diarrhea or vomiting, the student is not to return to school the next day, as the student is required to be free of temperature or sickness (i.e., diarrhea, vomiting, rash) without medication for 24 hours before returning to school.**

Medication Administration

Ideally, all medication should be given at home. However, some students can attend school because of the effectiveness of medication in the treatment of chronic illnesses or disabilities. If a student requires prescribed medication during the school day, the following must be in place:

1. The direct order/consent of a licensed physician, licensed physician's assistant, or

- nurse practitioner is signed and properly filed with the school.
2. Written consent of the parent/guardian for school personnel to administer the medication. (Forms available in the school office.)
 3. Medication must be in its **original container**, labeled by the pharmacy.
 4. Changes in medication or dosage must originate from the physician.
 5. Students may not carry medication on their person, with the exception of metered-dose inhalers when properly registered with the school.
 6. Students or parents **may not bring over-the-counter medicine** (cough syrup, cold capsules, aspirin, etc.) Parents may come to school and administer this medication to their children

Students with Significant Medical Conditions

A student enrolled in a Catholic school who has a significant or potentially life-threatening medical condition may require special consideration. Blessed Teresa of Calcutta Catholic School will take steps to obtain the information necessary to understand the condition, its manifestations in the school setting, and any specific adjustments or plans for an emergency response that may be necessary in order to provide the student with a healthy and safe environment.

Wellness Policy

Blessed Teresa of Calcutta Catholic School is committed to the Archdiocese School Wellness Plan.

- Students will have access to a variety of affordable, nutritious, and appealing foods that meet the health and nutrition needs of students.
- Students will be served in a clean, safe, and pleasant environment.
- BTC offers free and reduced lunches. It is open to all who qualify.
- The school shall provide at least 20 minutes per day of supervised recess, weather permitting.
- **The school shall encourage parents to pack healthy lunches and snacks and to refrain from including beverages and foods that do not meet nutrition standards for individual foods and snacks.**
- Students bringing lunch from home are NOT allowed to bring energy drinks, tea, coffee, or caffeinated beverages.

HOMEWORK

Most grade levels do not assign homework, as we would not utilize homework for a class grade. If the homework is assigned, it is an extension of the class lesson. The following are approximate times for homework if given:

Grades K, 1, 2	15-20 minutes
Grades 3,4,5	20-30 minutes
Grades 6,7,8	30-40 minutes

INCLEMENT WEATHER

Should classes be canceled due to snow or ice, the closing announcement will be relayed in an email blast to the email address you provided us or the following stations:

KSDK News Channel 5

KMOV News 4

Snow Schedule: The snow schedule means that classes will start at 10:00 A.M. Students may begin to arrive in the cafeteria at 9:30 A.M. Students will be dismissed to their classrooms at 9:45 A.M., and school will begin at 10:00 A.M. **Students are not marked tardy.**

AMI DAY / ALTERNATIVE MEASURES OF INSTRUCTION (Virtual Learning)

On inclement weather or emergency days, we may call for an AMI day. Doing this will allow us to count this day as a day of instruction on our school calendar and will provide the students with skills to reinforce our curriculum while the school building is closed. AMI days will be used when we have used all of our “allotted snow days” or have a school emergency requiring us to close down the school.

LUNCH

Parents will be charged for lunches through their FACTS Account.

Lunch is \$4.75

Children may purchase the hot lunch meal that includes an entrée, a vegetable, and a fruit. MILK IS NOT INCLUDED IN THE MEAL.

White milk (1%) and chocolate milk (1%) may be purchased daily at 50 cents per 8-ounce carton. It is considered an extra item.

Free and reduced lunch applications are sent home at the beginning of the year and are available throughout the year.

NONCUSTODIAL PARENT

As part of the registration process, parents who are divorced or legally separated must provide legal documentation verifying current custody arrangements. If a court order restricts the release of information to a non-custodial parent, it is the responsibility of the custodial parent to submit an official, court-stamped copy of the order to the school.

Additionally, it is the responsibility of both parents to provide the school with the most recent court-ordered parenting plan.

OUTDOOR RECESS

Outdoor recess is scheduled each day, weather permitting, and recess is supervised by teachers and staff. **Students in grades PreK through 2 have two recesses a day and students in grades 3 through 8 have one recess a day.**

Playground and Rules

Some Playground Guidelines to go over with your children:

- Students are not to leave the playgrounds to retrieve balls or any other equipment.
- Students will line up after recess is over to enter the building.
- Soccer is to be played only on the grassy field.
- Balls are not used in the playground equipment area.
- Keep your hands and feet to yourself.
- Students not following playground rules may need to sit out.

Conduct Rules for Children (from Archdiocesan Safety Manual):

- No rough play is permitted.
- Children should be permitted to use only equipment designed for their age group.
- Avoid playing near the classroom windows, if possible.

OUTDOOR ACTIVITY WEATHER GUIDELINES

BTC maintains the following guidelines for outdoor recess or other activities during inclement weather. Wind chill numbers will affect the decision for outdoor recess.

<u>Temperature</u>	<u>Outdoor limit</u>
25-32 degrees	10 Minutes
32-90 degrees	Normal time

BTC will follow the temperature guidelines above for outdoor recess. Coats must be available for 25 to 32 degrees for the student to go outside.

PHYSICAL EDUCATION AND HEALTH CLASS

Every student will have PE each day as well as health lessons. All students will be working on specific skills as outlined through the Archdiocese and state standards for PE and Health.

PARENT/TEACHER CONFERENCES

Parent/teacher conferences are scheduled at the end of the first grading period.

Parents/guardians are expected to come to the first report card conference.

We do not schedule conferences following the first grading period.

Parent/teacher conferences are held at the request of the parent or teacher throughout the school year. Appointments can be arranged by calling directly to the teacher's voicemail or sending an email.

PERSONAL BELONGINGS

Students **are not allowed** to bring personal items such as smartwatches, iPods, iPads, a Nintendo Switch, Tablets, and any other electronic devices to school. ***If your child brings any of the above-named personal items to school, the teacher will ask them to keep them in their backpack until the end of the day.***

RELIGION PROGRAMS

Children at Blessed Teresa of Calcutta Catholic School attend Mass once a week according to the schedule made by the administration and staff. Penance services, prayer services, and special observances, especially during Advent and Lent, are scheduled throughout the year.

Parents/guardians are invited and encouraged to attend the various prayer services and liturgies with the children. Please consult Friday Facts and the school calendar for dates.

SCHOOL FAMILY ORGANIZATION (SFO)

The School and Family Organization (SFO) was formed to foster unity among BTC School families and to provide financial support for our school.

The School and Family Organization (SFO) accomplishes this by hosting activities for our students/families and through fundraising events. We encourage all our school families to become involved and volunteer at several of our activities throughout the academic year.

SFO meetings are the first Thursday of each month at 6:30 pm and are open to ALL families!

STUDENT RECORDS

Parents/guardians have the right to inspect and review the official active file of their children. Copies, however, are not provided. **If a parent would like to view the child's file, they will need to speak to the principal and will be required to review the file under supervision.**

Transfer of Records

Blessed Teresa of Calcutta Catholic School will not release student records to other schools, institutions, agencies, or individuals without the prior written permission of a parent/guardian, or if the former student is eighteen years or older. Records are not released to parents or students but are transferred directly from the school to the institution designated to receive them. **Records and transcripts will not be forwarded if school financial obligations are not current.**

Release of Discipline Information

Making this information available to any person or institution must only be done with the specific written consent of the student's parent or guardian and the student if 18 years or older and still enrolled in the school.

SCHOOL AND STUDENT SAFETY

Any adult entering the building between 8:00 A.M. and 3:00 P.M. is required to report to the school office, sign in, and receive an ID/Visitor tag (if not a parent). **All visitors are required to enter through the main school doors with the red awning.**

Parents and visitors WILL NOT be permitted to go to the classroom during school hours unless a scheduled appointment has been made with the teacher or staff member. If dropping off lunch, school work, or other items for your child, please report to the office, and a staff member will be sure the child is given the item.

As a school, we also follow through with routine drills for Fire, Earthquake, Tornado, Lockdowns, and Intruder. Our students practice what to do in an emergency and learn how to get to our school Rally Point in an evacuation.

STUDENTS WITH SPECIAL NEEDS

Blessed Teresa of Calcutta Catholic School will obtain current diagnostic evaluations and authorization to exchange information with specialists and agencies, to make informed decisions about admitting students with special needs and providing them with appropriate adjustments during their term of enrollment. These evaluations and related documents will be part of a student's cumulative record.

In the event BTC cannot meet a particular student's special learning or physical needs, we will attempt to assist the family in finding appropriate alternatives to ultimately meet the student's needs.

SUPERVISION OF STUDENTS

Students may begin arriving between 7:30 and 8:00 A.M and will enter through the main door and go to the cafe, where we have adult supervisors.

Students will not be allowed in the building before 7:30. At dismissal, students are led to the parking lots for pickup.

Students not picked up within 10 minutes of dismissal will be sent to aftercare, and a phone call will be made to the parent.

TEACHER EASE

TeacherEase is a powerful online tool for use by teachers and parents. It is also an excellent platform that provides families with communication and access 24/7 to their child's academic progress. **Teachers will regularly post assignments, class announcements, and attendance on TeacherEase.**

The Office Staff will also provide important parish and school information. In order to participate in TeacherEase, parents will provide the school with their email address, and an invite link will be provided to set up the TeacherEase account and Parent Portal.

TECHNOLOGY

Computer technology and Internet access are available to all students of Blessed Teresa of Calcutta Catholic School. Computers, Chromebooks, and tablets are valuable tools for research. They take students and staff beyond the confines of the classroom and provide tremendous opportunities for enriching, extending, and reinforcing classroom lessons.

Students in grades one through eight are given an individual Chromebook to use in the classroom (1-1 device). Students in kindergarten use tablets (1-1 device) in the classroom. Internet traffic from all computers is filtered before your children see it. If something inappropriate is found, it is blocked.

- Students in grades K–3 will visit only sites that have been previously evaluated by the teacher.
- Students in grades 4-5 are just beginning to learn research skills, which will enable them to find the needed information on the Internet. They will be taught good search strategies.
- Students in grades 6-8 are permitted to search for needed information when a teacher has approved their topic.
- While using the internet, there is a possibility that a student will come across material that is objectionable, controversial in nature, or of no educational value. If this occurs, a student is expected to immediately inform the teacher.

Students at BTC School may not:

- Use a computer/Chromebook without teacher supervision
- Use the school's technology equipment for activities that are not educational
- Intentionally visit websites that contain objectionable materials. (Students are expected to use good judgment before clicking any link on a web page.)
- Send or receive emails without the teacher's permission.
- Create or participate in blogs/wikis, live chats, and social media unless part of a supervised class activity
- Give out personal information (name, address, etc.) while using the Internet
- Download music, software, videos, etc., unless part of a supervised class activity
- Tamper with the hardware and software of the equipment
- Intentionally misuse any of the school's technology equipment
- Trespass in another person's folder or Google account

Google Accounts and Devices

Students and faculty at Blessed Teresa of Calcutta School will be using Google Apps for Education. Students in 3rd-8th grades will be assigned a Google account. This account will be accessed by the students to utilize the applications associated with Google Apps for Education regularly. Students in K-2nd will use generic accounts to access internet applications. The accounts will be under the full control of Blessed Teresa of Calcutta School. The accounts currently do not permit email use. If damage occurs to the device, repairs and/or replacement are the responsibility of the student.

VOLUNTEER HOURS (REQUIRED)

All school families are expected to complete 20 volunteer hours of service to the school or parish. This is a very important structure of our school. Our School Family Organization (SFO) will monitor and track parent volunteer hours.

Thank you for partnering with our teachers and staff. At Blessed Teresa, we work to provide a safe, rigorous, and faith-filled learning environment. Our school community is rooted in respect, kindness, and service. The partnership between home and school is essential to our children's success, and we are committed to walking this journey with you hand in hand.

We encourage you to take time as a family to review the Discipline Policy, Schoolwide Universals, and Uniform Policy. These conversations help students understand the importance of teamwork and the strong connection between home and school.

To maintain a successful partnership, every family is expected to follow the policies outlined in the school handbook. Failure to do so may result in the loss of a family's enrollment.

This is going to be a great school year. ~ Dr. Luna
