SPECIAL EVENTS

Challenge 2026 - July 13-18

Kansas City, MO

Challenge is a national youth conference that is put on by the EFCA. It is an amazing week where students are challenged by great speakers, given opportunities to serve, experience incredible worship, and are given opportunity and space to connect with God in a personal way. We believe in Challenge so much that we offset the majority of the cost by what we receive from our Tulip Time Walking Taco Stand!! Registration will begin in February.
