

# Torsdags Tech Talks

Dialog om nyheder fra Esri, fif fra supporten og dine spørgsmål

Sidste torsdag i hver måned

# Torsdags Tech Team

Jesper F. Nielsen  
Kursusansvarlig  
[jesperfn@geoinfo.dk](mailto:jesperfn@geoinfo.dk)

Georgina Scholes  
Supportspecialist  
[georginaes@geoinfo.dk](mailto:georginaes@geoinfo.dk)

Per Andersen  
Senior Løsningskonsulent  
[pera@geoinfo.dk](mailto:pera@geoinfo.dk)

## 1. Velkommen til Torsdags Tech

- Kommende MOOCS og Training Seminars fra Esri
  - "Cartography" MOOC starter d. 27. august
- Esri User Conference d. 14.-18. Juli '25
- Dansk Esri Konference d. 13.-14. maj i Odense
  - Torsdags Tech bliver til Onsdags Tech og går live
  - Programmet 2025
- ArcGIS kurser hos Geoinfo
  - "Kartografi og visualisering med ArcGIS" d. 11.-12. juni

## 2. Nyt fra supporten:

- Experience builder viser forkert baggrundskort
- Symbologi hos Datafordeler og Dataforsyningen
- Story Map Classic retirement
- Reserved keywords

## 3. ArcGIS indlæg

- 'Storskraldsløsning' på den smarte måde

# ArcGIS Kompetencer Esri Academy

[www.esri.com/training/catalog/search](http://www.esri.com/training/catalog/search)

- **MOOC – Massive Open Online Courses**
  - "Cartography" d. 27. Aug. 2025
- **Esri Training Seminars**

# Esri User Conference 14. - 18. juli San Diego

Læs mere på  
[Esris hjemmeside](#)

## Complimentary Digital Access

Registration for digital access to the conference is complimentary if you are current on your maintenance plan or subscription, including users with ArcGIS for Personal Use licenses, distributors, and partners. Digital access is included with all in-person registrations.

No Cost

# Dansk Esri Konference 13.-14. maj Odense

### Plenary tirsdag

#### Tid

#### Emne og taler

09:30 -

##### **Velkommen til Dansk Esri Konference 2025**

Sarah Sophie Lafaire og Jan Juul Jensen, GeoInfo

##### **How to use GIS to make spatially informed decisions**

Anastasiia Savchenko, Business Development Manager, Esri

##### **Kunstig Intelligens og Digitale Trends**

David Guldager, Journalist og tech-ekspert

##### **Development and the Future**

David Cardella, Group Product Manager - Developer Technologies, Esri

##### **Software til kritisk infrastruktur**

Jesper Vinther Christensen, CEO & Founder, Similix

##### **How GIS is helping to build a world that runs entirely on green energy**

Matt Johnson, Head of GIS, Ørsted  
Klaus Dons, Senior GIS Specialist, Ørsted

| KURSUS                                                             | Antal dage | Januar    | Februar                | Marts                  | April                   | Maj           | Juni        |

# ArcGIS Enterprise Patches

## ArcGIS Server Security 2025 Update 1

- 11.3, 11.2, 11.1, og 10.9.1
- <https://support.esri.com/en-us/patches-updates/2025/arcgis-server-security-2025-update-1>

## Portal for ArcGIS Security 2025 Update 1

- 11.4, 11.3, 11.2, 11.1, og 10.9.1
- <https://support.esri.com/en-us/patches-updates/2025/portal-for-arcgis-security-2025-update-1-patch>

## ArcGIS Server 11.3 Map Services Definition Query Patch

- Løser definition queries der bruger datofelt
- <https://support.esri.com/en-us/patches-updates/2025/arcgis-server-11-3-map-services-definition-query-patch>

## ArcGIS GeoEvent Server Patch 1

- Forskellige versioner til 11.4, 11.3, 11.2, 11.1 og 10.9.1
- Løser flere sikkerheds sårbarheder

## ArcGIS Video Server 11.4 Import and Export Site Patch

- Løser problemet med WebGISDR og UNC stier og udvider muligheder for livestreaming
- <https://support.esri.com/en-us/patches-updates/2025/arcgis-video-server-11-4-import-and-export-site-patch>

- Offentlig delt Experience Builder
- Hvis man er logget ind på ArcGIS Online: kan du se sin din organisations baggrundskort
- Hvis man ikke er logget ind på ArcGIS Online ses kun Esri's baggrundskort
- Husk at konfigurere Basemap Widget korrekt

- Supportsag hos Datafordeleren
- MATRIKLEN2 WMS fra Datafordeler (og videreudstillet af Dataforsyning) har forskellige opsætninger til signaturforklaringen
- Nogle lag kan man se hele signaturforklaring i ArcGIS Pro / ArcGIS Online
- Nogle lag kan man kun se den første Style som er beskrevet i Capabilities -filen

- Hvis man publicerer en Feature Class med et feltnavn der også er et Reserved Keyword, så vil feltet få et \_ efter navnet
  - Der kommer ikke en advarsel hvis man kommer til at bruge et Reserved Keyword
  - God practice vil være at man prøver at undgå at bruge disse Reserved Keywords som felt navn
- <https://support.esri.com/en-us/knowledge-base/what-are-the-reserved-words-for-esri-s-file-geodatabase-000010906>

- Esri Story Map Classic vil blive retired fra ArcGIS Online i Q1 2026
- Esri Story Map Classic var allerede retired med ArcGIS Enterprise 11
- Efter denne ændring, vil Esri Story Map Classic ikke være tilgængelige mere, og man kan ikke længere tilgå stories via URL.
- Man bliver nødt til at overføre sine stories til **ArcGIS Story Maps**.
- Esri Story Map Classic er bygget på ArcGIS API 3.x for Javascript, som blev retired 1 Juli 2024.
