- Maintain daily quantities, materials documentation, diaries, and reports
- Prepare pay estimates and change orders
- Lead preconstruction and project coordination meetings
- Coordinate with clients, contractors, and project stakeholders
- Resolve plan discrepancies and construction issues
- Manage and train inspection staff
- Complete project closeout documentation

### Requirements

- IDOT Documentation Certification, IDOT CMMS certification (preferred)
- IDOT HMA and PCC Level I certifications (preferred)
- 5+ years of construction inspection experience
- HMA and PCC field testing experience
- Knowledge of traffic and erosion control inspection procedures
- Ability to interpret plans and specifications and resolve field issues
- Strong communication, organization, and project management skills
- Ability to work outdoors and ability to lift up to 25 pounds
- Valid driver's license

### Benefits & Opportunities

- Paid vacation
- Paid sick leave
- Paid holidays
- 401(k) retirement plan
- Profit sharing
- Health insurance
- Health Savings Account (HSA)
- Dental and Vision insurance
- Life insurance
- Continuing education and professional development
- Opportunities for career advancement

### Why HEI

At HEI, we believe a great workplace is about more than the projects we deliver. We offer a welcoming, team-oriented environment where employees build lasting professional relationships and enjoy opportunities to connect outside the office. Company outings, our annual holiday party, and other employee events bring our teams and families together throughout the year. We also offer the flexibility for employees to balance work and their personal commitments.

With our continued growth, we remain committed to maintaining the personal, supportive culture that has been part of HEI since 1945.
