SITE DESIGN ENGINEER

Opportunities Available In: Morton, IL | Moline, IL | Shorewood, IL | Beloit, WI

Hutchison Engineering, Inc. (HEI) is a full-service civil engineering firm with offices throughout Illinois, Missouri, and Wisconsin. With an 80-year history, we have built a strong client base throughout Illinois and the Midwest.

With our continued growth, HEI is seeking a Site Design Engineer to join our team. In this role, you will work on a diverse range of commercial, residential, and municipal development projects from initial planning and design through permitting and construction. You will work directly with clients, municipalities, and other professionals.

Responsibilities

- Prepare site plans and specifications, including layouts, grading, drainage, stormwater management, and utilities
- Design ADA-compliant sidewalks, ramps, and site improvements
- Prepare construction cost estimates
- Coordinate with clients, municipalities, and project team members

Requirements

- Bachelor's degree in Civil Engineering from an accredited program
- EIT or PE license
- 3+ years of site design experience
- Experience with grading, drainage, stormwater management, and ADA compliance
- AutoCAD Civil 3D experience preferred
- Valid driver's license

Benefits & Opportunities

- Paid vacation
- Paid sick leave
- Paid holidays
- 401(k) retirement plan
- Profit sharing
- Health insurance
- Health Savings Account (HSA)
- Dental and Vision insurance
- Life insurance
- Continuing education and professional development
- Opportunities for career advancement

Why HEI

At HEI, we believe a great workplace is about more than the projects we deliver. We offer a welcoming, team-oriented environment where employees build lasting professional relationships and enjoy opportunities to connect outside the office. Company outings, our annual holiday party, and other employee events bring our teams and families together throughout the year. We also offer the flexibility for employees to balance work and their personal commitments.

With our continued growth, we remain committed to maintaining the personal, supportive culture that has been part of HEI since 1945.
