

Hello Crossroads Church Family,

The Bible reminds us that we are created in Christ Jesus to do good works that God prepared in advance for us to do (Ephesians 2:10).

One of the great joys of church life is serving together—encouraging one another, caring for people, and building friendships that often last a lifetime.

As our church family continues to grow and move forward together, we would love to learn more about the skills, passions, interests, and availability within our congregation. This short survey will help us better connect people with opportunities to serve, strengthen our ministries, care for one another, and continue enhancing the life of our church.

No one can do everything—but everyone can do something.

Thank you for taking a few minutes to help us discover how we can serve together and continue building up the ministry of Crossroads.
