Minnetonka MN 55305

Beginning in 2026, office visit fees will be \$289.00, reflecting a modest \$10.00 Adjustment due to increased lab costs from LabCorp. We remain committed to keeping our fees as affordable as possible while maintaining the high-quality care you expect from us.

Please note that our payment system securely stores your card information for future transactions, and we will continue to handle all data with the utmost confidentiality. If you need to cancel an appointment, we kindly ask that you provide at least 24 hours' notice so we may offer that time to another patient.

Thank you for being a valued member of our practice.

Warm regards,
Stesin Endocrinology
