## MENS CLUB UPDATE

We're half way through the season now. The course is in great shape, the weather is beautiful and the days are long, so there's time to compete in a fun 9 holes of golf, enjoy a great meal with your fellow duffers and still have time to enjoy a sunset over the Olympics.

On June 5th, seven, three man teams competed in a "1, 2, 3 Net Best Ball" (holes 1, 4, and 7 = one net best ball, holes 2, 5, and 8 = two net best balls, holes 3, 6, and 9 = three net best balls) contest. It was a tight match, but in the end the team of Shaun Hohenstein, John Geragotelis and David Dimatteo edged out the team of Tom Ford, Dan Kaufman and Rodger Johnson. Two teams tied for third and got one ball each. KPs worth a sleeve of balls went to Germ Geragotelis on #2 (29' 5") and Dave Amirehteshami on #7 (9' 8"). The Honey Pot swelled to \$225 thanks to a carryover from the previous contest. Five Canadian Skins worth \$45 each were paid out. Two went to Germ Geragotelis and one each went to Tyler Crawford, Tim Wyer and Warren Brown.

Our June 19th competition was a "Shamble" and drew our biggest field so far. Four, 7-man teams competed. The best drive on each hole was chosen and from there, each golfer played their own ball. The two best net scores on each hole were used to compute the total. It was hotly contested and only two strokes separated the top four teams. In the end the team of Roger Pierce, George Salatka, Rich Rosenberg and Shaun Hohenstein at -12 edged the team of Tim Wyer, Bernie Upchurch, Rodger Johnson and Mukunda-krishna Tyson (-11). Two teams tied for third at -10 and received 1 ball each while the winners received 3 balls each and second place got 2 balls each. KPs worth a sleeve of balls went to Rich Rosenberg on #2 and Shaun Hohenstein on #7 (8'3"). Rich took a creative approach by banking his ball off one of the trees in the right hazard before settling to 10'8" below the hole. Brian Nelson won the only skin worth \$140 with a net eagle on #8. See the full results for June 19 below. Our next event on July 10th will be a Stableford team total (everyone's score counts). The July 24th competition will be a Chapman contest. In the Newsletter we like to highlight notable shots that occur during the contests. If you or someone in your group makes an amazing (or a ridiculous) shot, please let us know by sending a description to Rich at rar4par@gmail.com.

The race to the Red Barn Cup is a season-long competition where players receive points each week based on how their team finished. For details see the March Newsletter. The total of the best 7 scores of the possible 16 will be used to determine the winners. After 8 events, the top 6 leaders are Rich Rosenberg (111.5), Roger Pierce (100.5), Tom Ford (98), Germ Geragotelis (96), Pat Ford (86) and Rodger Johnson (85); point totals are in parentheses. You only need 7 scores to compete, but the more you play the better chance you have.

We encourage you to try one of these bimonthly Thursday afternoon events. It's a great opportunity to meet, mingle and compete with members you don't normally play with. All Men golfers (WGC members or not) are invited to play in any of our events. The cost is \$15 for WGC members and \$30 for non-WGC members which includes Green Fees. As always, at the conclusion of the competition, we meet up in the bar for optional dinner, drinks, and camaraderie. Come join us for a fun afternoon and evening. Rich and I look forward to seeing you on the course.

Roger Pierce and Rich Rosenberg
