

PRIMARY SUMMER CAMPS

Discover. Grow. Thrive.

*Together.*SM

Wheaton Montessori School Summer Camps are led by the same expert teachers your child knows and loves during the school year. These camps combine classroom and outdoor learning through hands-on activities that spark independence, creativity, and joyful collaboration. Each themed session blends purposeful learning with active play and includes a Summer Celebration Day, featuring a beef hotdog/veggie dog picnic, and splash pads on campus. We hope you'll join us all summer!

Once Upon a Summer

Session 1: June 1st through June 12th

This session immerses children in the world of fairy tales with creative art activities. Kids bring their favorite stories to life using natural materials to create magical scenes and characters.

Galactic Dreamers

Session 2: June 15th through July 3rd

We go on an interstellar adventure through the galaxy. Campers explore their creativity with space-inspired art projects.

Ancient Earth Explorers

Session 3: July 6th through July 17th

Our young campers will travel back in time as they unearth nature's wonders and ancient treasures. This summer session is all about fossils of flora and fauna.

World of Wonders

Session 4: July 20th through August 7th

Join us for a journey around the world to explore different cultures. Through hands-on projects, campers learn about and celebrate cultures from around the globe.
