HIGH PRIORITY REQUEST FOR PROPOSAL · AUGUST 2026

High Priority RFP & Proposal Invitation

Heartland Harvest Landscape · Design · Build · Maintain

Heartland Harvest Landscape invites qualified vendors, suppliers, and service partners to submit proposals for an upcoming high-priority commission. **A full-service landscape design, build, and maintenance company serving Chicago and the North Shore since 2004** — Heartland Harvest has grown steadily from the ground up through a grassroots approach and a passion for natural environments. Founded and led by Gregory Reese, the company creates unique garden spaces — from rolling suburban lawns to downtown rooftop garden designs — with a strong client-to-designer relationship at the heart of every project. Our landscape team is dedicated to sustainable practices, exceptional customer service, and comprehensive management across every season. We seek partners who share our commitment to quality work and the highest standards in outdoor design. The full scope and submission requirements are in the secure proposal document at left.
