## ON CALL ANYTIME SUPPORT

Access to professional advice and guidance based on years of experience, when you need it, is invaluable. A phone call, an email or a visit to provide a steady hand and wise head to address situations that you are not sure how to handle, can be of immeasurable benefit.

Ron Browne, Managing Consultant at Extrapreneur Services can provide invaluable external expertise, insight and knowledge gained over a wide spectrum of industries in a career spanning more than 40 years in business, as a mentor to a chief executive, leadership team or corporate board.

Many micro to small organisations often struggle with unfamiliar challenges and make decisions that may not be based on previous knowledge or experience. Access to this sort of advice—confidential and tailored to your organisation is possible with the Extrapreneur Services 'On Call Anytime' Support contract.

**On Call Anytime Support** provided by Extrapreneur Services includes but is not limited to -

- ✗ Up to one full day (eight hours) of support per month
- ✗ Phone consultations for advice available 24/7 all month
- ✗ Support in operational or governance issues as they arise
- ✗ Monthly review of results and feedback on performance

For a nominal monthly fee (retainer), you get access to the expertise, knowledge and skills that Ron Browne, Managing Consultant can provide **On Call Anytime**.

Agreement term is 12 months, however termination anytime is by only one month (30 days) notice in writing.
