

Endorsement Process – Candidate Core Interview Questions

1. Please share the top reasons you have decided to run for Corvallis City Council.
2. Corvallis is navigating all the problems a larger community faces but with more meager resources due to its size. Please discuss what you believe the top two or three largest issues facing Corvallis are. Knowing resources are finite, please detail your methodology in prioritizing resource allocation to remedy these matters.
3. Related to the prior question...what strategies do you implement to ensure a collaborative approach is prioritized in addressing challenges?
4. Who are your role models and how have they shaped your vision on leadership and ethics?
5. The Chamber represents hundreds of dues paying members who live, work and play in Corvallis. Knowing you must prioritize many different audiences as an elected official, how would you engage the Chamber in conversations and discussions regarding matters most directly impacting its members?
6. From your perspective, please describe the Chamber's relationship with the city. What are the strengths and weaknesses?
7. There will likely be issues and moments where the Chamber and the City will disagree. If (re)elected, would you be willing to remain in communication and prioritize keeping the relationship in the best possible place?
