

## **MADISON ASSEMBLY OF GOD - Madison, IN**

*We are a multi-generational Assemblies of God church of approximately 170 people located in a close-knit community of about 33,000 in Madison Indiana. Our church values biblical teaching, Spirit-led worship, and authentic relationships that span all ages and life stages. We have a heart for our community and desire to see individuals and families grow in their faith and connection to Christ. While we appreciate our history and the foundation it provides, we are looking toward the future with a desire for healthy growth, deeper discipleship, and meaningful local impact. We are seeking a pastor who will embrace our culture, invest relationally, and lead us forward with clear vision, strong preaching, and a dependence on the Holy Spirit.*
