### **Smith Family Orthodontics Patient Consent Form**

#### CONSENT FOR COLLECTION, USE AND DISCLOSURE OF PERSONAL INFORMATION

Privacy of your personal information is an important part of our office providing you with quality dental care. We understand the importance of protecting your personal information. We are committed to collecting, using and disclosing your personal information responsibly. We also try to be as open and transparent as possible about the way we handle your personal information. It is important to us to provide this service to our patients.

In this office, Dr. Darryl V. Smith acts as the Privacy Information Officer.

All staff members who come in contact with your personal information are aware of the sensitive nature of the information that you have disclosed to us. They are all trained in the appropriate uses and protection of your information.

Attached to this consent form, we have outlined what our office is doing to ensure that:

- only necessary information is collected about you
- we only share your information with your consent
- storage, retention and destruction of your personal information complies with existing legislation, and privacy protection protocols
- our privacy protocols comply with privacy legislation, standards of our regulator body, the Royal College of Dental Surgeons of Ontario, and the law

Do not hesitate to discuss our policies with me or any member of our staff.

Please be assured that every staff person in our office is committed to ensuring that you receive the best quality dental care.

#### How Our Office Collects, Uses and Discloses Patients' Personal Information

Our office understands the importance of protecting your personal information. To help you understand how we are doing that, we have outlined here how our office is using and disclosing information.

This office will collect, use and disclose information about you for the following purposes:

- to deliver safe and efficient patient care
- to identify and to ensure continuous high quality service
- to assess your health needs
- to provide health care
