Université Paris Cité & Virtual

#### **Impulse Presentation**

##### **Speaker name**

*Laurent Petit, HTA Director, Leem (Nation Trade Association, France)*

##### **Title of the Talk**

*NA*

##### **Abstract**

Market access in France and the role of patients before and after the implementation of HTA regulation?

How French patients can contribute to the definition of PICO and the assessment of a drug's added value?

What role do clinical experts and medical societies play in market access in France?
