Who We Are

BCCH

Non-profit organization

Established by RIZIV-INAMI (Belgium)

Our Role

Administrative & project management support

For joint activities under EU HTA Regulation

Through the HTA FWC Consortium

Support to Member States for: Joint Clinical Assessments (JCAs) and Joint Scientific Consultations (JSCs)

Experts Hub

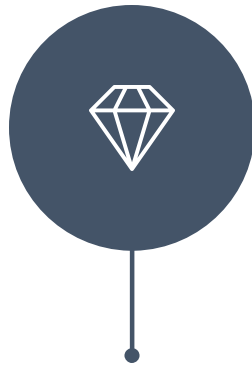

Coordinate patients & clinical experts

Ensure supported, consistent participation across Europe

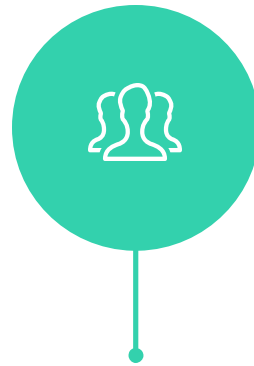

What We Do

Administration
between FCC
and European
Commission

Facilitate
collaboration
across 30+ HTA
agencies
within the FCC

Experts Hub →
contracting
and support

Project
management
for JCAs & JSCs

Support with
meetings and
communication
tools

Supporting the EU HTA Joint Work

ACA & MSs

- Support JCAs and JSCs
- Coordinate ACA meetings with Member States & working groups

EC & HADEA

- Manage interaction between Consortium members and EC & HaDEA on order forms, inception meetings, and reports

Experts

- Manage end-to-end expert contracting
- Ensure onboarding, confidentiality, and payments

HTA FCC

- Provide Secretariat support for the FCC (meetings, agendas, voting, follow-up, contracting and invoicing)
