I am interested in my child attending wraparound care. Morning session 8 till 9  and/or after school 3 till time to be confirmed between 5 and 6  Places will be prioritised as follows:

- School aged children with working/studying parents
- Pebbles children that are siblings of school children with working/studying parents
- Pebbles children aged 3 and 4 with working/studying parents
- Pebbles children aged 2 with working/studying parents
- As above with non-working parents

If you tick either of these boxes Pebbles will get in touch with availability and the relevant paperwork in June.

**Please note that completion of this form does not guarantee a place for your child. To reserve these sessions, we will require a deposit to be paid or a funding form to have been completed before your child starts so as to guarantee these sessions will still be available.**

We will inform you at least 8 weeks before your child is due to start whether your application for a place has been successful. You must confirm within 5 weeks of receiving notification that you still wish to take up a place and provide the required deposit or completed funding form (provided by Pebbles). If you do not, the offer of a place may be withdrawn.

The monetary value of the deposit, will be for the value of the first month of your child's attendance unless you are in receipt of any of the following government funding – Universal 15 hrs (all 3-4 year olds); 30 hour funding (for working parents of 3 to 4 year olds); 2-year-old disadvantaged funding and 2-year-old working parent funding. For the last three you should go to the [www.gov.uk/help-with-childcare-costs](http://www.gov.uk/help-with-childcare-costs) website to check your entitlement. If the sessions you request are more than your funding entitlement your deposit will be for the extra sessions. We are also happy to offer an alternative payment plan if arrange with the preschool manager or the accounts manager.

Once your child is offered a place and you accept it, on admission further personal information and family details are required for our records. Your child's birth certificate maybe required at this point.

If you find that you no longer need the place, please inform us as soon as possible. Should you decide you no longer need the place we will not retain the details on this application form (see our Privacy Notice within our Welcome Pack and on pebblespreschool.co.uk).
