We will inform you at least 8 weeks before your child is due to start whether your application for a place has been successful. You must confirm within 5 weeks of receiving notification that you still wish to take up a place and provide the required deposit. If you do not, the offer of a place may be withdrawn. When you confirm that you accept the place, a deposit payment will be required to hold the place for your child. The monetary value of the deposit will be for the value of the first month of your child's attendance unless you are in receipt of government funding or have discussed an alternative payment plan with the manager.

Once your child is offered a place and you accept it, on admission further personal information and family details are required for our records. Your child's birth certificate maybe required at this point.

If you find that you no longer need the place, please inform us as soon as possible. Should you decide you no longer need the place we will not retain the details on this application form (see our Privacy Notice within our Welcome Pack and on pebblespreschool.co.uk).
