Join us online: Pathways to Progress

This year's [*What She's Made Of*](#) event focuses on the critical importance of women's civic engagement and honors the 100th anniversary of women gaining the right to vote. Join us online for special webinars diving deeper into these important topics.

The Art of Suffrage: Struggle, Sacrifice and Success

Friday, August 7, 9 a.m.–10 a.m.

Free!

It took nearly 100 years of persistence and passion for women to gain the vote. Finally, in August 1920, the 19th Amendment was ratified, granting women across America the right to vote.

This year, we're celebrating the centennial of this seminal achievement in women's rights—and honoring the sacrifice of the women who fought for our rights. Join Mary Brennan-Taylor, suffrage historian and avid collector, for this special virtual tour of "The Art of Suffrage" exhibit at the Kenan Center.

Elect Women: Lessons in Running for Office

Friday, August 14, 9 a.m.–10 a.m.

Free!

In the U.S., 51% of the population is female, but women make up only 18% of the U.S. Congress. Let's correct this historic imbalance and encourage more women to run for office! Join Katie Burd from Women Elect for a discussion on the process of running for elected office and the importance of women's voices in politics.
