2021 *What She's Made Of Success!*

THANK YOU!

Thanks to all who were able to join us for our virtual *What She's Made Of* event earlier this week on May 17!

It was an inspiring afternoon filled with powerful advice from keynote speaker Carla Harris, insightful stories of women in our community, and incredible performances.

We are thrilled to announced that thanks to your support and generosity, we raised over \$133,000 to support the critical work of the WNY Women's Foundation!

Thanks to you, we will continue to create opportunities for every woman to earn, learn, and lead.

We will continue [our fight for working parents](#), championing the vital importance of quality, affordable, and accessible child care for all.

We will continue our work to advance gender equity in the workplace through our [ALL IN Initiative](#).

And we will continue our support of single mothers' education and

economic self-sufficiency through our [MOMs: From Education to Employment® program](#) and [Women's Economic Mobility Hub](#).

Your generosity makes all this possible. Your support ensures a more equitable future for Western New York.

Thank you!
