Labor Survey & Volunteer Opportunity

As a recipient of the Fostering Access, Rights, and Equity (FARE) grant from the U.S. Department of Labor, the WNY Women's Foundation is committed to helping women workers learn about and access their employment rights and benefits.

As part of these efforts, we're gathering survey responses and asking women to test their knowledge on workplace rights.

You can help us by taking this five-minute survey and sharing it with your networks.

Labor Survey

We're also looking for volunteers to attend events and help us spread the word about women's employment rights. This is an excellent opportunity to give back to the community and for students to earn credit for service hours.
