TRIANGLE is a full service marketing and printing firm that has been delivering high-quality creative solutions to the public for over 60 years. We specialize in high resolution graphic printing, from small format to grand format. TRIANGLE is proud to serve the greater Houston Metropolitan area.

We also have same day remote printing capabilities in 140 cities across the United States. We have a knowledgeable staff of professionals that can recommend the best printing and plotting methods, strategic marketing initiatives, data submission software, archiving options, or copying equipment to serve your needs. Commitment to knowlege, dedication, and customer service is TRIANGLE'S legacy of excellence.
