"While winning is a byproduct of development, it is not our primary focus at team level. At this stage, our emphasis is on player development, learning and high levels of skill acquisition, these which will remain our key priorities. We develop individual players inside of the age group to master the ball and master the game. Players are encouraged to play with creativity and freedom to forfil full enjoyment out of the game."

Focus

- Training The Game Model
- Introduction to the 11v11 game (Spring)
- Preparation for the MLS Next Programming (U13)
- Travel Nationally
- Principle Based Training & Club Pass Process
- Competitve Events - Pre MLS Festivals
- Age Group Training - Curriculum Based Practices
- Continued FCC ID Identification
