

# THE CHAMBER SCOOP

CHICKASHA EDITION

30 January, 2026

## Monthly Chamber Recap

This month was filled with meaningful connections, exciting milestones, and continued momentum for our local business community. From supporting Chamber members and celebrating growth to hosting events and engaging with our partners, we're proud of the progress made and the relationships strengthened along the way. Here's a look back at some of the highlights from the past month and the impact they've had across Chickasha.

### New Year, New Roles

Past Chair, Jamie Jones, swore in current Chairman, Gerron Smith

## Networking the New Year

This month, we enjoyed two wonderful opportunities to connect with our members and community. Chamber Connects was hosted at the Chickasha Public Library, where attendees had the chance to network and learn more about the many resources the library offers beyond books. We also gathered for Women's Wednesday at Life in Bloom, enjoying a welcoming space to build relationships, support a local business, and celebrate the women who help make our community thrive.

## Stay Involved, Stay Informed

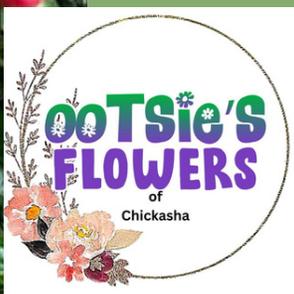

We heard from State Representatives Dick Lowe and Brad Boles, who provided a timely legislative update and insight into current issues at the State Capitol. Additionally, we were also pleased to welcome Executive Director, Joe Echelle, from the Oklahoma Turnpike Authority, who visited to share important updates and information impacting our region. These conversations help keep our members informed, engaged, and connected to the decisions shaping our community and state.

## Say It With Flowers

This Valentine's Day, show your love and support local! Our Chamber member florists are ready to help you make the day extra special with beautiful, thoughtfully crafted arrangements. Whether you're celebrating a sweetheart, a friend, or yourself, shop local and let our members help you say it with flowers.

KENDALL'S FLOWERS

## Celebrate with Us at the 103rd Chamber Banquet

Mark your calendar for the 103rd Annual Chickasha Chamber Banquet on April 10th! This special evening brings our business and community leaders together to celebrate achievements, recognize excellence, and reflect on the year ahead. Registration and sponsorship opportunities are now available on our website, and award nominations will open February 2nd. Join us as we honor those who make Chickasha a great place to live, work, and do business.

## #TheGoodStuff

This month came with weekly additions of #thegoodstuff. This is a weekly article written by Chamber President himself, Jim Cowan. Each one focuses on #thegoodstuff about or happening within our community.

Worthy of being highlighted this month is #THEGOODSTUFF: PAST LEADERS. Jim talked about the importance that leaders of the past had and still have on our leaders of today. "Because former leaders believed in Chickasha then, others believe in Chickasha today." Check it out on our website!
