

THE CHAMBER SCOOP

CHICKASHA EDITION

29 May, 2026

May Highlights

May was a busy and exciting month for the Chickasha Chamber! We were proud to host six ribbon cuttings for local businesses and organizations, highlighting the continued investment and momentum happening across Chickasha. Chamber representatives also attended the RedBud Awards, where Chickasha's beloved Festival of Light was recognized with an award—an incredible honor for one of our community's signature events. We also officially kicked off the Festival of Freedom, a seven-week celebration running from Memorial Day Weekend through Fourth of July Weekend featuring community events, patriotic celebrations, and a Shop Local campaign throughout the summer season.

Breaking Ground

The City of Chickasha recently celebrated the groundbreaking of its new water treatment plant—a major investment in the community's future.

Community Building

This month, we continued building connections and supporting our Chamber members through two wonderful networking events. Women's Wednesday was hosted by Sandoval Agency with Synergy Interiors, offering attendees a welcoming space to connect, collaborate, and learn more about two outstanding local businesses. We also gathered for Chamber Connects at McAlister's Deli, where members enjoyed networking and celebrating the restaurant's recent ribbon cutting. These gatherings are a great reminder of the relationships and community spirit that continue to drive Chickasha forward.

Festival of Freedom Begins

We were proud to kick off the Festival of Freedom with a special Flag Dedication Ceremony at Chickasha City Hall. As we begin this season of patriotism and community celebration, we also pause to honor the veterans and fallen heroes whose service and sacrifice make our freedoms possible.

#LoveWhereYouLive Shop Local Campaign

Nailynn Beauty and Spa offers relaxing, professional self-care services to help clients look and feel their best. Red Dirt Catering provides flavorful, high-quality catering for events of all sizes with a true Oklahoma touch. Crafty Queen & Co. features handmade, one-of-a-kind gifts and creative goods from a local maker. All three of these Chamber members are participants in the shop local campaign - GO SEE THEM AND WIN THAT TRIP!

Shop Local. Win Big.

The Festival of Freedom Shop Local Campaign is launching for the first time in Chickasha, featuring 17 participating local businesses. This exciting community-wide promotion encourages residents and visitors to shop local while celebrating the season.

For every \$25 spent at a participating business, shoppers will receive an entry for a chance to win prizes—including a grand prize trip to New York City!

It's a fun and easy way to support local shops, explore what Chickasha has to offer, and be part of a new tradition that invests back into our community.

#TheGoodStuff

Worthy of being highlighted this month is **#THEGOODSTUFF: TOURISM IS ECONOMIC DEVELOPMENT**

"Tourism is the front door for economic development."

That message, shared by Oklahoma Lt. Governor Matt Pinnell during his recent Town Hall in Chickasha, was a powerful reminder of something we see every day in action. While economic development is often associated with industrial parks and large-scale projects, he pointed to a different—and deeply impactful—driver of growth: tourism in rural communities like ours.
