

THE CHAMBER SCOOP

CHICKASHA EDITION

28 February, 2026

Leaders in Leadership

Our 2026 Leadership Class is nearing the finish line - we can't wait to see them graduate!

February Highlights

February may be the shortest month of the year, but it was full of activity for the Chickasha Chamber. From networking events and community conversations to legislative updates and member engagement, we continued building momentum and strengthening connections across our business community. Here's a look back at what we accomplished together this month.

Connecting in Community

This month, we enjoyed two wonderful opportunities to connect with our members and community. Chamber Connects was hosted at Kendall's Flowers, where attendees had the chance to network while exploring the beautiful floral arrangements, plants, unique gifts, and services they offer. We also gathered for Women's Wednesday at the USAO Alumni House, a beautiful venue that also serves as a rental space for retreats, celebrations, and special events.

Celebrating New Ownership

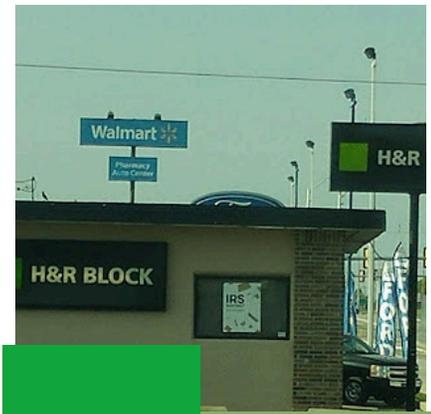

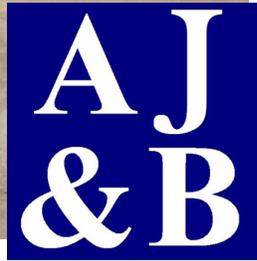

We were proud to host a ribbon cutting at Chrysler Dodge Jeep Ram of Chickasha in celebration of new ownership. Located at 3121 S 4th Street, the dealership is entering an exciting new chapter, and we were honored to help mark the occasion. Events like these highlight the continued investment and confidence in our local business community, and we look forward to seeing their continued success in Chickasha.

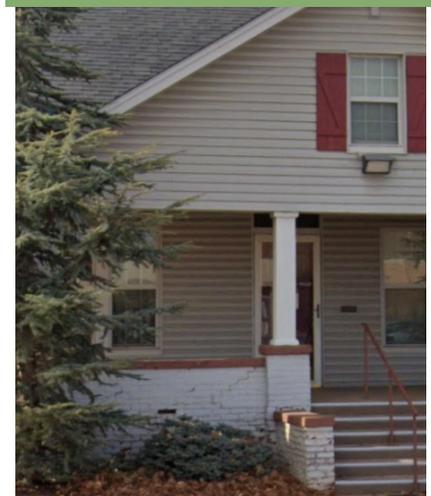

Taxes Made Easier

As tax season approaches, our local professionals are ready to help individuals and businesses navigate filing with confidence. We're proud to highlight Chamber member tax professionals who provide trusted expertise and personalized service right here in our community: Welch & Harris CPA PLLC, H&R Block, Angel, Johnston & Blasingame, P.C., and Ross and Henderson, PLLC.
