By accepting this offer, your player commits to always put forth their best effort and participate in all scheduled team events. This commitment enhances the opportunity for each player to reach their full potential and flourish in a competitive environment.

Please read the below WCU rules and guidelines for players and parents, and an outline of the financial commitment for the coming year. If you foresee that you will not be able to make the financial commitment, please refer to the section on Player Scholarships and Financial Aid. Please also consider purchasing insurance to cover your financial commitment should your player need to withdraw from the Club due to health or relocation of a parent outside the greater D.C. area. Accepting a roster spot with a WCU team means you agree with all terms contained in this commitment letter. When you register online, you will be asked to agree to the Financial Policy, Parent Code of Conduct, and Concussion Policy.

Acceptance of Offer and Commitment and Team Registration

Acceptance of this offer and commitment for the 2025-2026 Season must be made within 5-days or WCU reserves the right to offer the position on this team to another player. Please be aware that the registration fee will increase by \$25 per month starting on June 1, 2025 (the only exception may be for offers extended as the season progresses).

Failure to Fulfill Financial Obligations

Failure to fulfill your financial obligation will result in the suspension of your player's eligibility to participate with WCU.

Returning WCU players must have a zero balance on past accounts in order to register for the 2025/2026 soccer year. If you are unable to register due to an unpaid balance, please contact the Club Administrator to discuss your account.

We understand that extenuating circumstances arise. In the event that you need to delay or adjust an upcoming payment, please contact the Club Administrator as soon as possible to make alternative arrangements and/or submit a scholarship application (awards are contingent upon availability).

Insurance: WCU has partnered with A.W.G. Dewar, Inc. to offer insurance covering up to 70% of a family's financial obligation less the non-refundable registration/acceptance fee to the Club should a player withdraw for a covered health reason (injury/incapacitation) or the job-relocation of a parent or based on involuntary dismissal from the Club. Insurance is 2.5% of annual Club dues for the player and must be paid with the first dues payment. Although insurance is optional, WCU strongly encourages families to purchase it as withdrawal from the Club does not otherwise relieve a family of its financial obligations.

The full aggregate premium for all insured players is due within 30 days of the first day of the club session (i.e., the start of the season). If a full-paying family opts out of the insurance at the time of registration, they have until August 1, 2025 the effective date of the policy, to enroll in the coverage. They cannot opt-in after August 1, 2025.

It is the responsibility of the player's family to remain current with the payments and maintain membership in good standing.

- **Where payment is 31 days late:** Director of Soccer Operations and Coach will be notified of the balance due and that member is not in good standing. The player will receive a warning that if payment is not made within 30 days, the Coach will be notified and appropriate action will be taken by DSO including suspension from practices and games and removal from the Club if appropriate.
- **Where payment is 61 days late:** Director of Soccer Operations will discuss past due balances with the Treasurer and pursue all legal remedies available to recover past due amounts.

Refunds and Payment Plan Cancellation

The initial \$400 registration/acceptance fee payment is non-refundable under any circumstances.

Club dues are non-forgivable and non-refundable barring exceptional circumstances. WCU strongly recommends that players purchase insurance to cover the obligation of Club dues should covered unforeseen circumstances arise.

Participation on a WCU team is an annual commitment. All players wishing to transfer to another team/club, or to leave the Club during the seasonal year are subject to the terms and conditions of the MSYSA Player Rights and Obligations Policy and Non-Payment of Financial Obligations Policy.

2025 - 2026 Scholarship Application

The scholarship application is available to all registered families. Scholarship awards are 100% need based. To be considered, you must submit an online application, upload the applicable documents, and pay the initial \$400 registration fee by August 1, 2025. To ensure consideration for the scholarship program, WCU advises all families to submit a complete application as soon as possible, before the funds have been awarded. **Applications with missing documentation will not be reviewed.**

Families who experience a mid-season change in financial circumstances (medical emergency, loss of job, etc.), or those who join the club mid-year, may still apply for financial aid. Families should complete the application and notify the Club Administrator immediately.

NOTE: WCU does not provide FULL scholarships to players. Each family is expected to pay a portion of the annual dues. The initial registration fee will not be waived.

The scholarship application will be made available on the Club website as we migrate from our previous application to PlayMetrics.

Washington Capital United requires additional supporting documentation for the most recent tax year from all scholarship applicants such as:

- Current Proof of Eligibility for Free or Reduced Lunch Program (copy of current lunch letter). If the player is at private school then provide 1040 forms (see next entry).
- Copy of 2024 Federal Tax 1040 form with ALL W-2s and 1099s filed by all members of the household. If you are self-employed you must also provide Schedule-C.
