END-OF-YEAR STATE TESTING

APRIL BRINGS OUR RISE TESTING SCHEDULE! STUDENTS HAVE BEEN WORKING HARD AND ARE WELL PREPARED TO SHOW OFF ALL THAT THEY HAVE LEARNED THIS SCHOOL YEAR. PLEASE HELP THEM BE SUCCESSFUL W/ THESE TIPS:

TEST-TAKING TIPS

Sleep well

Healthy breakfast

Arrive on time

Easy questions first

Calm nerves

Find key words

Think positive

Eliminate answers

Check work

FUN FRIDAY- WESTERN DAY (Bandanas)

Students are invited to join us in wearing their best western wear & bandanas this Friday!

Community Council Meeting

Tuesday, April 14 @ 12:30 p.m.

All parents and community members are welcome to join our meeting this week as we finalize end of year activities.

Thank you to our amazing PTO and parent volunteers for another successful Easter Egg Hunt! The students look forward to this every year; we truly appreciate all the work that goes into these fun activities!

ELECTRIC SCOOTERS

PLEASE TALK TO YOUR CHILD ABOUT SAFETY WHEN RIDING THEIR ELECTRIC SCOOTER!!

A few days before break, one of our students was almost hit by a car. The driver and other witnesses were very shaken up by the incident! However, the student had no clue! He ran through the intersection without slowing down or looking in either direction, having no idea that a car slammed its brakes to avoid hitting him. This isn't the first report of a near-miss!

Students riding electric scooters are also traveling at high speeds nearly running other students over along their route. There is a great deal of danger when the rules are not followed.

Thank you for helping us keep all of our students safe.
